

The Yun Family's Ninth Child is an Imp! Chapter 1861

Yun chujiu blinked her eyes. "Manager Xia, there's no hurry to eat. I'm going to pick out some nice clothes for my third sister and give her some beautiful jewelry. Let's go back after a stroll!"

Manager Xia shook his head like a rattle-drum, he wished he could tie this prodigal thing back immediately. "Eldest miss, Madam has just bought a lot of new clothes and jewelry for third miss. There's no need for third miss to Buy More for the time being. Isn't that right, third miss?"

Mo fangqin nodded with a stiff face, but she was very unhappy in her heart. This manager Xia was really detestable. It was not easy for a country bumpkin to be so generous, but it was all messed up by her.

Yun chujiu sighed. "Alright, if that's the case, then forget it. Third sister, it's not that I'm stingy, it's that manager Xia doesn't want me to buy it. Here, this spirit fruit is for you as a token of my appreciation."

Mo Fangqin wanted to reject it, but she was afraid that the onlookers would say that she was insensible, so she could only take the spirit fruit and stuff it into her storage ring.

"Tsk Tsk, this miss mo is really kind. Even though she's in such a miserable situation, she still wants to give miss mo a gift!"

"That's right, Miss Mo doesn't even know how to say thank you. It's really disrespectful to eldest sister."

“That manager Xia is even more outrageous. Didn’t she just buy some snacks? The nose is not the nose, the face is not the face. After Miss Mo bought it, didn’t she also give it to the other masters of the Mo Residence? It’s not like she kept it for herself.”

..

Manager Xia wished she could roar at these people and give them a big head!

She only gave them rotten cabbages!

And she only gave them one each! She was even more stubborn than an iron rooster!

Not only that, she even extorted a few welcome gifts!

However, she could not reveal her dirty laundry to the public. As a mere servant, she naturally did not dare to say anything, so she could only urge Yun Chujiu to return to the Mo residence as soon as possible.

Manager Xia now had the heart to die. Not only did she fail to complete the mission that Mrs. Luo had given her, but now she also owed 50,000 high-grade spirit stones. How was she going to explain this to Mrs. Luo? !

After bidding farewell to those onlookers enthusiastically, Yun chujui hopped into the Mo residence.

Mo Cheng, Mrs. Luo, and Mo Fanghua were just about to have dinner when they heard someone clearly say, "Father, I'm Back!"

Mo Cheng and Mrs. Luo were stunned when they saw Yun chujui walk in. Mrs. Luo glared at manager Xia. Didn't this good-for-nothing say that she would let this country bumpkin suffer a little? Why did this country bumpkin look more lively than yesterday?

Besides, didn't they say that she would sleep in the jungle? Why did she come back?

Mo Cheng's face was gloomy. "Manager Xia, how was the trial today? Did this rebellious daughter not listen to you and come back on her own accord?"

Manager Xia wanted to frame Yun chujui, but there were still those onlookers.., he could only say, "Master, the eldest miss killed a level 27 demonic beast and four level 26 demonic beasts today. She basically completed the mission."

Manager Xia said as he winked at Mrs. Luo. Mrs. Luo knew that there was a secret, thus, she tried to smooth things over and said, "Alright, Fangqin is only at the second layer of the supreme spirit realm after all. It's not bad to achieve this level on the first day! Fangqin, Fangqin, you guys are tired after a day of the trial. Go back and rest."

Upon hearing Madam Luo's words, Mo fangqin obediently bowed and was about to take her leave. She did not expect Yun chujiu to suddenly stop her, she said with a smile, "Third sister, we have been hungry for a day. Father and the others have ready-made food here. Let's eat before going back."
