

The Yun Family's Ninth Child is an Imp! Chapter 1868

"Eldest miss, the master wants us to return to the mansion immediately. Please!" Hei Sha said coldly.

Yun chujiu blinked her eyes. "Alright, let's Go!"

Yun chujiu and Mo Fangqin walked at the front of the group. Mo Fangqin did not even feel that she had already gotten used to being with Yun Chujiu.

Not long after they walked out, Yun Chujiu jumped up with a roar.

Mo fangqin was so scared that she staggered. Was this country bumpkin crazy?

Hei Sha and the guards were also shocked. Hei Sha asked with a gloomy face, "Miss, What's Wrong?"

"Hei Sha, I remembered something very important. I Can't go back empty-handed when I'm out training. I want to Hunt a demonic beast for my father."

Hei Sha frowned. "Miss, didn't you hunt a lot of demonic beasts a few days ago? Why Don't you just give those to the family head?"

Yun chujiu shook her head. “Those aren’t new. I want to hunt the freshest one and give it to my father.”

Yun chujiu jumped to the side after saying that, ignoring Hei Sha’s dissuasion from behind.

Hei Sha could only chase after her. Mo Fangqin and the others also chased after her. Mo Fangqin couldn’t help but curse in her heart. What was this country bumpkin trying to do this time? Give a gift to his father? Go and lie to a ghost!

When Hei Sha chased after them, Yun Chujiu was already fighting with a level 24 giant-toothed iron bone pig. Hei Sha saw that the level of the giant-toothed iron bone pig was not high, so he thought about it and did not stop it. He stood at the side and watched the battle.

After a quarter of an hour, Yun Chujiu finally killed the giant-toothed iron bone pig. However, she herself was in a very sorry state. Her hair was disheveled and her body was covered in blood. Of course, the blood belonged to the giant-toothed iron bone pig.

Yun chujiu put the giant-toothed iron-bone pig into her storage ring and said happily, “Alright, we can leave now. Father will definitely like this gift I gave him.”

Hei Sha curled his lips. Not to mention a level 24 demonic beast, even if it was a level 30 demonic beast, the family head would not take it seriously.

Two hours later, they entered Jinchuan city.

Very soon, a group of onlookers discovered Yun chujie and her group. They could not help but discuss among themselves:

“Oh God, look at how miserable Miss Mo is! Her body is covered in blood. It has only been a few days since we last met. I think Miss Mo has lost at least five kilograms.”

“Yeah, how pitiful! I think Hei Sha has tortured Miss Mo many times. She has almost lost her human form! If it weren't for the people from the Mo residence, I think Miss Mo would still be suffering!”

“I reckon that this Mo residence has also heard about Miss Mo's matter. Otherwise, why would Hei Sha bring Miss Mo back?”

..

Hei Sha couldn't help but feel a little suspicious when he heard the discussions of these people. Could it be that this good-for-nothing Miss Mo had intentionally caused such a sorry state?

Yun chujiu, this fellow, naturally did it on purpose. She couldn't be bothered to give Mo Cheng any gifts. This fellow's Black Lotus skill was full of points, and he wouldn't let go of any opportunities for the black ink residence.

People from the Mo Mansion? What were they doing here? Were they specially here to rescue her, this Cinderella? Don't joke around. If they had the heart, they wouldn't have stopped looking for her for more than ten years. No matter what they were here for, they would just have to deal with it when the time came.

Soon, everyone returned to the Mo Mansion.

Manager Xia was looking around at the main entrance. When she saw Yun Chujiu in a sorry state, she frowned, he came over and whispered, "Miss, someone has come to the old residence. You should go back and wash up first before going to the living room to meet the guests. The master asked me to specifically instruct you not to say anything that you shouldn't. Otherwise, the master will not forgive you."
