

## The Yun Family's Ninth Child is an Imp! Chapter 1883

The corner of Mo Fangqin's eyes twitched. Was she walking into a trap? The description was really apt.

Old Madam Liu was so angry when she saw Yun Chujiu. She picked up the Teacup on the table and threw it at Yun Chujiu. "You good-for-nothing! Did you eat the three transformation golden ginseng fruit? Are You Worthy?"

Yun chujiu nimbly took the teacup in her hand, she said with a smile, "Grandmother, even if you want me to drink tea, don't be so rude. Fortunately, my granddaughter is agile. Otherwise, she will be hurt by you. If I get hurt, you will feel sorry for me!

"If you feel sorry for me, you will not be able to eat or sleep well. What if you get sick? "Therefore, for the sake of your health, don't smash the Teacup in the future. Moreover, the Teacup is quite expensive. What a waste! "Being diligent and thrifty at home is a good family style..."

Everyone was dumbfounded as they watched Yun Chujiu Ramble on non-stop. It was just a matter of smashing the teacups, but it had forced her to talk nonsense about family style. Moreover, from the looks of it, if she were to continue.., it would be able to bring up the rise and fall of the Immortal Yuan continent.

"Shut up! Stop changing the topic! Hand over all the rank three golden ginseng fruits you picked, and then ask the family law to punish you!" Old Madam Liu was so angry that she was trembling.

Yun chujia took out a tray from her storage ring. There were more than ten rank three golden ginseng fruits on it, she said with a smile, "Grandfather, grandmother, all the rank three golden ginseng fruits are here! I picked the biggest and yellowed ones. Although I'm a little useless, I'm still quite good at picking fruits."

Qing dai immediately screamed, "Old madam, she picked more than this. She kept them for herself!"

Yun chujia handed the tray to Mo Fangqin and walked in front of Qing Dai, she gave her a hard slap. "Did grandmother ask you anything? Do you think you have a mouth for what you owe your son? ! If it weren't for you, would I have picked this fruit ? You're the wicked one who complained first ! You black-hearted person, tell me, did you take some benefits from someone and set me up?"

Qing Dai was stunned by the beating. Was this country bumpkin crazy? He dared to hit people in front of the family head and Old Madam Liu?

Sure enough, old madam Liu slammed the table fiercely. "Mo Fang Grass! Are you rebelling? !"

Yun chujia said with a wronged expression, "Grandmother, you don't know, this slave is really too detestable! If it wasn't for her urging me, would I dare to pick the fruit? I didn't expect that she would actually set me up, I'm really too wronged!"

Old madam Liu snorted coldly, "She set you up?"

Yun chujia nodded angrily, "Grandmother, I'm not stupid. I clearly know that it's your most precious fruit. Would I dare to pick it?" This Qing Dai told me that the rank three golden ginseng fruit is used by you to give gifts and entertain distinguished guests. Although I want to eat it, I can't bear to eat it. If I can pick a few and send them over, you will definitely eat it."

"So you picked it? Who are you lying to? ! These words are full of loopholes. If I wanted to eat it, I would naturally pick it myself. Why would I eat it when you picked it?" Old Lady Liu said disdainfully. This lie was too clumsy.

Yun chujia sighed. "Grandmother, you are right. I Am Not a fool. Of course, I know that Qing Dai is lying to me. If I were to pluck this fruit, not only would you not reward me, you would definitely punish me severely. "But, why did I pluck it? "Why did I pluck it?"

Yun chujia looked at Old Madam Liu. Old Madam Liu was so angry that she gritted her teeth. "How would I know why you plucked it? Why are you looking at me? !"
