

The Yun Family's Ninth Child is an Imp! Chapter 1884

Yun chujiu straightened her small back, she said righteously, "Grandfather, grandmother, I think so. No matter how precious these external things are, they are still external things. Why do you want to give the spirit fruit that you have painstakingly cultivated to outsiders to eat, but you are reluctant to eat it yourself?"

Could it be that those people will really appreciate the favor after eating this fruit, and will really give our mo residence some practical benefits? I don't think so! Although this three transformation golden ginseng fruit wasn't common, it wasn't a rare item at all. At the very most, it was only a low-grade earth grade spirit fruit. It would be better to gift an upper-grade spirit tool!

It would be fine if it was someone else. After all, they were all juniors. However, the two of you had worked so hard for so many years. Don't tell me that you still have to think about this and that after eating this fruit? If you ate it, then you ate it. What else could you do? !

As I thought about this, I felt my heart ache. So, although I knew that I would definitely be punished for picking this fruit, I still picked it without hesitation. If you two want to punish me, then I'll accept it. After all, filial piety is greater than the heavens! What's the point of being punished? ! If you want to be punished, then fine. I have no complaints!"

Old Madam Liu and Mo Xiaoting were both stunned. Yun Chujiu's words were clearly out of their expectations. She was old and cunning. Of course, they knew that Yun Chujiu was trying to quibble, but they had to admit.., yun Chujiu's words were quite reasonable.

It made sense. The rank three golden ginseng fruit was only a low-grade earth grade fruit. Although it was a rare item, it wasn't particularly valuable. Even if they gave it away, it might not be of much use.

Old madam Liu scoffed, "That's a nice way of putting it. I think you just want it. You just want to eat the fruit!"

Yun chujie bared her white teeth, "Grandmother, you're Too Wise!"! You're right. On one hand, I want to be filial, and on the other hand, I'm greedy! "After thinking about it, you and grandfather both love the younger generation. No matter what, you can give me a few fruits to taste. So I plucked this fruit boldly. If you want to punish me, then punish me. I accept the punishment!"

The corner of Mo Fangqin's eyes twitched. The only person who could say that she was greedy was this fellow! How thick-skinned! But, would grandfather and grandmother believe her nonsense?

The corners of Old Madam Liu and Mo Xiaoting's eyes also twitched. They had lived for so many years, but they had never met such a shameless person!

Just as Old Madam Liu was about to say something.., mo xiaoting laughed, "You are quite honest. What you said makes sense. No matter how precious the rank three golden ginseng fruit is, it's still a dead object. Rather than giving it to someone else, it's better for us to enjoy it ourselves!"! "I'll give these fruits to you. You can go back now!"

Mo Fangqin's heart felt like it was going to explode. Did her grandfather really believe what she said? He even gave these fruits to her? ! How was this possible? ? ! Had her grandfather gone crazy today?

“Thank you, grandfather! Thank you, grandmother! I love you guys so much! Grandmother, please find me a maid to lead the way. This Qing Dai is too evil. She might even try to frame me. Grandmother, please do your research. Maybe this Qing Dai is someone’s spy!” Yun Chujiu said with a smile.

Today, Mo Xiaoting had been protecting Yun Chujiu one after another. Old Madam Liu felt very uncomfortable and said coldly, “Yin Hong, take the two of them to hear he xuan.”

“Yes!”

Yin Hong accompanied Yun Chujiu and Mo fangqin out of the house. Qing dai immediately knelt down, “Old madam, no matter how brave I am, I will not lie to you! I am only loyal to you. I am not someone else’s spy.”
