

## The Yun Family's Ninth Child is an Imp! Chapter 1885

Old Madam Liu looked deeply at Qing dai, "Get up. I didn't say anything. Bring some people back to pick some ripe rank three golden ginseng fruits."

"Yes! Thank you, Old Madam!" Qing Dai's forehead was covered in cold sweat. Half of her face was still swollen and she looked extremely disheveled.

After Qing Dai left, old madam Liu said, "Master, that little girl is obviously spouting nonsense. I think she's just craving for it!"

Mo Xiaoting laughed, "I'm not that old. I know she's spouting nonsense."

"Then why did you spare her?" Old Madam Liu did not understand.

"It's just a few fruits. Let's just eat them. Plus, what she said makes sense. Even if we give them away, they might not have any effect. Why don't we keep them for ourselves?" Mo Xiaoting said before he left for the study room.

Old Madam Liu furrowed her brows. She felt that Mo Xiaoting wasn't telling the truth. However, Mo Xiaoting had always been in charge of the Mo family's affairs, so she did not dare to object. However, she was getting more and more displeased with Yun Chujiu.

On the other side, Yin Hong led Yun Chujiu and Mo Fangqin to hear he xuan. Yin Hong's attitude was much more respectful than Qing Dai's.

What a joke. She didn't dare to be disrespectful. This country bumpkin's hands were really dark. He had slapped Qing Dai's face until it was swollen. Moreover, he was eloquent. He might even charge her with something.

"Yin Hong, is there only me and third sister in Tinghe Xuan? Aren't there any maids serving us?" Yun Chujiu tossed a rank three golden ginseng fruit to Mo Fangqin. Then, she took out one and ate it happily.

Mo Fangqin put the rank three golden ginseng fruit into her storage ring. She didn't have the guts to eat it like Yun Chujiu.

"Miss Fangcao, although Tinghe Xuan has never been inhabited, there are two maids on duty. They usually take care of the flowers and plants," Yin Hong said respectfully.

Yun Chujiu nodded. "It's good that there's someone to serve us. Otherwise, if there's no one to collect the food, wouldn't we starve to death?!"

The corner of Yin Hong's eyes twitched. This country bumpkin was really a foodie. All he thought about was eating.

“How do grandfather and grandmother usually arrange their daily schedule?”

Yin Hong briefly explained, and Yun chujiu nodded. Then, she took out a small porcelain bottle from her storage ring. “There are seven flawless beauty pills in here. If you take one every day, the scar on your forehead will be removed.”

Yin Hong was stunned. There was indeed a scar on her forehead. Usually, it was not too obvious when she covered it with her bangs. She did not expect that Yun chujiu would discover it and even give her pills.

Although the spiritual energy in the western continent of immortal essence was much richer than that in the Tian Yuan continent, the level of pill refinement was not much higher than that in the Tian Yuan continent. Therefore, this flawless beauty pill was not very common, and it was not cheap.

Yin Hong was only a maid. It would be difficult for her to buy a flawless beauty pill, not to mention seven.

“Miss Fang Cao, this... This is too expensive. I can’t accept it.”Yin Hong quickly declined. She would not accept a reward for nothing. This Country Bumpkin’s future was bleak. If she took the opportunity to make a request, it would be difficult to handle.

“Although this thing is not cheap, it is useless for me to keep it. Just keep it.” “Don’t worry. I have nothing to ask of you. I will return to Jin Chuan City in a few days.” “If you don’t accept it, I will say that you scolded grandmother. Do you think grandmother will punish you?” Yun Chujiu said with a smile.

Yin Hong had never met such a strange person. She could only accept the flawless beauty pill under Yun Chujiu’s coercion.
