

The Yun Family's Ninth Child is an Imp! Chapter 1886

Yin Hong thought that Yun Chujiu would take the opportunity to ask her to do something. She did not expect Yun chujiu to just chat with her as if nothing had happened.

A moment later, the three of them arrived at Tinghe Xuan.

Yun chujiu saw Tinghe Xuan and immediately fell in love with him. The reason was simple. There was a large lotus pond in front of Tinghe Xuan and there were many lotus pods inside.

Yin Hong went forward to call for the door, and soon, two maids in pink walked out.

The two maids were stunned when they saw the three of them. Yin Hong said, "Qing Liu, Qing Zhi, Miss Fangcao and Miss Fangqin will be staying in Tinghe Xuan for the next few days. Please serve them well."

Yin Hong then said to Yun chujiu and mo fangqin, "Miss Fangcao, Miss fangqin, I will take my leave now. If you two have anything to do, just let Qing Liu and Qing zhi handle it."

Yun chujiu nodded. "Go back and serve grandmother well."

Although Yin Hong felt that Yun Chujiu's words were pretentious, she still respectfully agreed and left.

Qing Liu and Qing Zhi looked at each other. Was this the country bumpkin mo fangcao? How could he be arranged to stay in Tinghe Xuan?

The two did not know the whole story, so they did not dare to be presumptuous. They respectfully said, "This servant Qing Liu and Qing Zhi greets Miss Fangcao and miss fangqin."

"Get up. Bring us inside to have a look." Yun chujia waved her hand and said casually.

Therefore, Qing Liu and Qing Zhi brought the two of them into Tinghe Xuan.

Yun chujia looked at the exquisite decorations inside and was very satisfied. She and Mo fangqin each chose a room, then, she said to the two maids, "It's almost time for dinner. Go and Get Food for me and third sister. Make more food. We have a big appetite."

Mo fangqin pursed her lips. The two of us? Ptui! ! Shameless! Only you have a big appetite, okay? !

Qing Liu said, "I can go and get the food by myself. Qing Zhi, stay and listen to your orders."

“That’s fine too. Qing Zhi, go to the lotus pond and get some lotus seeds for me! I think the lotus seeds are very full. I think the lotus seeds are almost grown.”Yun Chujiu said with a smile.

The three of them..

Qing Zhi never thought that Yun chujiu would make such a request. She had no choice but to ask the steward to borrow a boat.

Of course, she had to borrow a boat because those lotus seeds grew in the middle of the lotus pond. How could she get them without rowing? !

Mo fangqin saw that the two maids had left. She curled her lips and said, “Big Sister, you have just arrived and you have already turned the old house upside down. Aren’t you afraid that grandmother and grandfather will punish you? What exactly do you have to rely on?”

Yun chujiu looked at Mo Fangqin with a faint smile and then pointed at her own head. “I rely on my unparalleled wisdom.”

Mo fangqin rolled her eyes in anger. “Forget it if you don’t want to say it. Just don’t drag me along when you’re courting death. I don’t want to be punished!”

“Don’t worry, don’t worry! I haven’t lived long enough. I Won’t court death! If you follow me, I guarantee that you’ll have a good life. How can you be punished? “Here, these few fruits are for you. Look at how generous I am!”Yun Chujiu said as she tossed mo fangqin a few rank three golden ginseng fruits.

Mo Fangqin ate one and prepared to give the rest back to Aunty Qiu.

The two of them chatted for a while more before Qing Liu came back with food.

Although Yun chujiu had eaten a few fruits, she was still very hungry. She immediately wolfed down the fruits. Qing Liu, who was watching from the side, was dumbfounded. This Miss Fang Cao was too good at eating.
