

## The Yun Family's Ninth Child is an Imp! Chapter 1888

"Big, big sister, what are you doing? You Can't do whatever you want! Although father may want to use you for something, grandmother and grandfather don't have so many scruples. Don't court death!" Mo fangqin anxiously said what was in her heart.

Yun chujiu laughed. "Look at how scared you are! Aren't you too timid? Don't worry, you won't Die! Hurry up, if you don't go, I have many ways to force you to go."

If Yun Chujiu had said that in the past, Mo fangqin would have scoffed. But now that she had witnessed Yun Chujiu's shamelessness, she had every reason to believe that Yun Chujiu was telling the truth.

"Tie this on your knees, it will be useful later!" Yun chujiu handed mo fangqin two strange-looking things.

Mo fangqin looked at her blankly. "Big sister, this is to keep your knees warm. It's not cold now, why are you wearing it?"

"If I tell you to wear it, then wear it. Don't talk so much nonsense! Hurry Up!"

Mo fangqin had no choice but to wash up and follow Yun chujiu out of the house.

Qing Liu and Qing Zhi were also startled awake. The two of them were a little dissatisfied. It was fine that they were bullied yesterday, but why did they start to mess around so early in the morning? Why did they get up so early in the morning?

“Just guard the courtyard. Third sister and I have some matters to attend to.” Yun chujie waved her hand at the two of them, then dragged Mo Fangqin out of Tinghe Xuan.

Mo Fangqin’s heart was on the verge of breaking down. What was this country bumpkin trying to do?

Mo Fangqin was having wild thoughts when she saw Yun chujie jump onto a tree with a tap of her toes.

Was she crazy? !

Is this country bumpkin crazy?

Yun Chujie folded a few branches and kept them in her storage ring before she continued to jump forward.

“Big Sister, where are We Going?” Mo Fangqin’s heart was in a mess. Her right eyelid kept twitching. She felt like she was about to get into trouble.

“Big sister will bring you to a good place. You will know when you arrive,” Yun Chujiu said mysteriously.

Mo Fangqin could not help but feel puzzled. This bumpkin had never been to the old house before, so how could she be so familiar with the terrain? How could she know that Yun Chujiu had a photographic memory? She had memorized the place after walking once. Moreover, she had already asked Yin Hong how to get to the place she wanted to go yesterday.

At this time, the Sun had just risen, and most of the people in the Mo residence had not yet woken up. Only a few patrolling guards had noticed the two of them. However, seeing that it was their master, they naturally would not interrogate him, so the two of them had a smooth journey.

Mo Fangqin looked at the signboard in the courtyard not far away, and she almost wanted to die. “Mo Fangqin! If you want to die, you can die yourself. I’m going back, you’re courting death!”

“Third sister, this isn’t a dangerous place, what’s there to be afraid of? !”

“What’s there to be afraid of? ! That’s grandfather’s study, and even uncle and the others are not allowed to enter casually. What are you doing here? Don’t tell me you want to blow this place up?” Mo Fangqin was obviously traumatized.

“Idiot! Of course we are waiting for grandfather here. Otherwise, how are we going to catch grandfather!” Yun Chujiu said with a smile.

Catch Grandfather?

Grandfather was not a pig. Why would he need to be caught? !

Mo Fangqin was certain that Yun chujiu was going to stir up trouble again. She turned around and was about to leave, she heard Yun chujiu say faintly, “Third sister, Don’t blame me for not reminding you. If you really leave, I promise that I will make you regret it for the rest of your life! If you don’t believe me, you can try!”

“What on earth do you want to Do?” Mo Fangqin was afraid and angry. She recalled Yun Chujiu’s ruthlessness when she was training in the dense forest. She recalled her tiger-like strength when she blew up the main gate of the Mo residence. She was terrified.
