

The Yun Family's Ninth Child is an Imp! Chapter 1893

"Aiya, grandmother, I really want to see you, so I forgot the rules in my excitement. "I'll be careful next time. If you don't let me in, I promise to obediently go back to Hexuan," Yun Chujiu said with a smile, she didn't feel uncomfortable at all.

Old Madam Liu clearly didn't expect Yun chujiu to have such a reaction. For a moment, she didn't know what to say.

She did not know what to say. Yun Chujiu knew!

This fellow smiled as he sized up the few unfamiliar faces. Then, he said in a crisp voice, "Third sister, quickly introduce these people to me. Why do I feel like I'm in the Jade Lake Immortal Palace? They are all fairy-like figures."

The corners of Mo Fangqin's eyes twitched. Country Bumpkin, is it really good for you to be so blatant in your flattery? !

The few women were also a little unnatural, but they were secretly happy in their hearts. This was because no woman did not like to be praised for their beauty, even the old lady was no exception.

"Big Sister, this is first aunt."

“Big Sister, this is third aunt.”

“Big sister, this is sister fangshuang from first uncle’s family.”

“Big sister, these two are sister Fangmin and sister fanghui from third aunt’s family.”

Mo fangqin introduced them to Yun Chujiu one by one, yun chujiu sighed and said, “I guess you’ve all heard that I’m that poor little wretch. “I’ve long heard from third sister that first aunt and third aunt have the hearts of Bodhisattvas, and the three sisters have the looks of fairies. Today, when I saw that it was really the case, I really felt ashamed of my inferiority.”

Mo fangqin almost vomited! Act! Country Bumpkin, Just Act!

Those few people did not know about Yun Chujiu’s black lotus attribute. When they heard Yun Chujiu’s words, the sense of superiority in their hearts became even stronger. HMPH, as expected, she was a country bumpkin who could not be put on the stage. What a pity for her looks.

Mo Peng’s wife, Wu Shi, recalled Mo Peng’s instructions, she revealed a concerned expression. “Fangcao, the past is in the past. Now that you’ve returned to the Mo family, you naturally won’t suffer anymore. “When you have time, go to first aunt’s residence for a visit. Your Cousin Fangshuang has a lot of clothes that she hasn’t worn before.”

Mo Chang's wife, Mrs Niu, curled her lips. "Sister-in-law, there's no one as unscrupulous as you. If you want to give her new clothes, then give her new ones! Fangshuang, when you have time, go to third aunt's residence. Third aunt will give you a few new clothes!"

Mo Peng and Mo Chang did not tell their respective wives that they had been scammed by Yun Chujiu, because they felt that it was too embarrassing! Therefore, Wu Shi and Niu Shi thought that the person in front of them was a poor little girl, but they did not know that it was a black lotus with full skills.

Yun chujiu used her sleeve to wipe away the Crocodile's tears. "Wu Wu, I'm really touched. First aunt and third aunt, you're really too good to me! I won't disturb you two. If you two really feel bad, you can give me a few welcome gifts. Yesterday, Grandfather and grandmother gave them to me!"

Wu Shi and Niu Shi were dumbfounded. They had never seen a girl who wanted to give a welcome gift at the slightest disagreement. Wasn't this too shameless? !

"First aunt, third aunt, why aren't you talking? Do you think my request is too much? Didn't they say that the elders had to give a welcome gift to a junior for the first time? Is there no such rule in the Immortal Yuan continent? Since that's the case, then just pretend that I didn't say anything. I was rude. I'm really sorry." Yun chujiu tugged at the corner of her clothes, she looked at him with a bewildered expression.
