

## The Yun Family's Ninth Child is an Imp! Chapter 1898

Yun chujiu slapped Mo Junchen twice. "It's fine if you're a waste of spiritual power, but you don't even know the basic principles of being a human. What's the point of you living? !

"Qing Zhi may be my maid now, but she's actually my grandmother's maid. You're disrespecting my grandmother by bullying her for no reason!

"You Call Yourself Young Master and you wish to be on the same level as my grandfather. That is even more disrespectful. You disobedient and UNFILIAL Thing. I will not go overboard even if I beat you to death today!"

Old Madam Liu saw that Mo Junchen's face was swollen like a pig's head. She could not sit still anymore and directly jumped down. "Little Slut, Stop! Or Else I will kill you, you unfilial thing!"

Yun Chujiu gave her a bright smile, and then suddenly threw mo junchen into old madam Liu's arms. Taking advantage of the situation, she pulled mo fangqin and rushed out.

Mo Fangqin's heart was like a beeping dog!

F \* ck!

If you want to run, then run. Why are you pulling me? ! Aren't you making grandmother think that I'm on your side ? ! You black-hearted country bumpkin, even if I become a ghost, I won't forgive you!

Tears streamed down Mo Fangqin's face. She could only follow Yun chujiu and run wildly because she knew that old madam Liu was about to go crazy from anger. She would not listen to her explanation. If she caught her, she would definitely give her a good beating.

Seeing that Yun Chujiu actually dared to run, old madam Liu went crazy from anger. She cursed angrily, "All of you, chase after her together! I must teach this little slut a good lesson today!"

Mo Junchen's acupoints had already been opened by Yun Chujiu, she even cried and scolded, "Grandmother, you have to make a decision for me! I don't know what sorcery that slut used just now. I couldn't move or speak just now. My Face Hurts!"

Old Madam Liu's heart was filled with heartache and precious comfort, "Good grandson, don't worry. Grandmother will definitely capture that little slut and let you take revenge personally! What are you all standing there for? Hurry up and chase after her!"

"Grandmother, I'll go too! I was just careless just now. This time, I'll definitely teach her a good lesson and let her know how powerful I am!" After Mo Junchen finished speaking, he broke free from old madam Liu and rushed out in anger.

Seeing this, old madam Liu could only chase after him worriedly. “Good grandson, slow down. Be careful of hitting her!”

When Wu Shi and Lady Niu saw this, they could not help but secretly curl their lips. This damn old woman was the most biased. It was as if she only had Mo Junchen as her grandson. Although that country bumpkin was detestable, they had to admit that they had really beaten him up to vent their hatred!

They were gloating in their hearts, but on the surface, they looked like they had a common enemy. They also chased after Mo Junchen.

Yun chujiu shouted as she ran, “Help! Help! Junchen is crazy! He’s going to kill someone!”

“Get out of the way! Quickly get out of the way! Be careful not to get blood on your body!”

“Junchen is most likely possessed by a pig spirit. Kill whoever you see. If you don’t want to die, get out of the way!”

..

What the hell?

Young Master Jun Chen has gone crazy? Possessed by a pig spirit?

What's going on?

The servants were all dumbfounded. However, when they saw Mo Junchen chasing after them, they were so frightened that they ran in all directions. Damn it, wasn't young master Jun Chen's face like a pig's head? ! Moreover, his eyes were completely red. Even if he wasn't possessed by a pig spirit, he had gone mad. It was too scary!

Mo Junchen saw that the servants did not help to stop Yun Chujiu. Instead, they tried to avoid her and scolded, "Stop That B \* Tch! or I will kill all of you!"
