

The Yun Family's Ninth Child is an Imp! Chapter 1899

When the servants heard Mo Junchen's words, they were so frightened that they ran in all directions. Damn, it was just as Miss Fangcao had said. Young Master Junchen had really gone mad, killing everyone he saw!

When the servants saw old madam Liu and the others chasing after them, they believed Yun Chujiu's words even more!

Old Madam Liu and the others must have realized that young master Junchen had gone mad and wanted to capture him back! ! We'd better hide as far away as possible to avoid being ordered to capture young master Jun Chen. What if a madman kills us? !

Old Madam Liu saw that the servants were all running away as if they had seen a ghost. She was so angry that she was convulsing. She shouted loudly, "Are you all dead? Hurry up and help!"

When those servants heard old madam Liu's words, they ran even faster. In any case, the law did not punish the masses, and old madam Liu could not punish them one by one. Moreover, even if they were to be punished, it was still better than losing their lives! Young Master Junchen looked like he had gone crazy. He even wanted to kill his own sister. If they went up, they would definitely lose their lives.

Mo fangqin felt that both her legs were no longer hers. She had never run so fast in her life, and her heart was filled with fear. How was she going to end up in such a big mess? !

However, Yun Chujiu said with a smile, "Third sister, are you surprised? Are You Happy?"

Mo fangqin really wanted to strangle this troublemaker to death. Although it was very satisfying to see Mo Junchen, who had always been arrogant and domineering, beaten into a pig's head, once he was caught by her grandmother, he would probably lose half his life!

"Third sister, don't worry. Since I dared to hit him, I have a way to cure him. Don't worry, not only will we not be punished, that little fool will also apologize to us!" Yun Chujiu said with a smile as she ran.

Mo Fangqin's heart skipped a beat. "You're going to look for grandfather to make the decision?"

"You're not too stupid! We have the support of the big BOSS, so why are we afraid of a little bastard like him? !" Yun Chujiu said proudly.

Big What? Big Leopard?

Was this country bumpkin crazy? To actually call grandfather a leopard, he was too bold!

Just as Mo Fangqin was thinking about it, she heard Yun Chujiu say, "However, we can't go like this. Quickly cry, the more sad you cry, the better. We still have to sing a bitter love scene later!"

Mo Fangqin did not have the acting skills of Yun Chujiu. She held back her tears for a long time before she managed to squeeze out a few drops. Seeing this, Yun Chujiu stuffed a bag of things into her hands. "Use this. I guarantee that your face will be filled with tears immediately!"

Mo Fangqin saw the thing that Yun Chujiu handed over and was so angry that she almost fell down. Chili noodles? You're really mean!

However, in order to not be punished, she could only go all out. Mo Fangqin put a bit of chili noodles into her eyes and then kept the remaining chili noodles.

As expected, not only were her tears gushing out like a fountain, but her eyes were also red. The effect was so good that it was a 5-star review!

Yun Chujiu had her own acting bag. She did not need any external help. She rubbed her eyes and immediately burst into tears. If one did not know better, they would have thought that she had nothing left to live for!

The two of them ran all the way to Mo Xiaoting's study room. When the guards saw that they were back, the corners of their mouths twitched.

Did Miss Fang Cao and Miss Fang Qin take the wrong medicine today? They had come early in the morning with a tree branch on their back, and now they were here with Snot and tears in their eyes. What were they trying to do?

Just as the guards were in a daze, they heard Yun Chujie shout, "Grandfather! Dear grandfather! Help! Your granddaughter is going to be beaten to death!"
