

The Yun Family's Ninth Child is an Imp! Chapter 190

Wu Yun was clearly caught off guard and quickly struck another bolt of lightning.

Yun Chujiu easily caught the bolt of lightning. She hugged her shoulders and curled her lips. "It's too thin! The quality of your presence this time isn't that great! Probably caused by the defective lightning strikes?"

Wu Yun was furious and struck down three bolts of lightning at the same time.

Little Black shouted, "Master, give me one of them. I haven't replenished in a long time!"

Yun Chujiu curled her lips. "Fight for it yourself! These lightning bolts are all one-track-minded. They can't even turn a corner."

Little Black happily flew toward one of the lightning bolts and swallowed it.

Wu Yun in the sky was trembling with anger! Where did these two weirdos come from! When they were out on a mission, they had never heard of such a weirdo in the Qingxuan continent!

Wu Yun originally wanted to save some heavenly lightning to strike down a mission target. In a fit of anger, he simply struck down dozens of lightning bolts.

Yun Chujiu was so happy that her eyes narrowed. She was worried that she did not have the power of lightning!

Little Black snatched a few heavenly lightning bolts and swallowed them. The rest were all absorbed by Yun Chujiu. To be exact, most of them were absorbed by the grass in Yun Chujiu's Dantian.

Wu Yun saw that he had struck 13 times, but not only did he not kill the two of them, they were even more lively. He was so angry that he flew away.

Yun Chujiu curled her lips. “This time, it was really too weak. Even my clothes weren’t damaged.”

“Master, you’re right! Compared to the entrance test, this is vastly different.”

...

The rolling pin was stunned!

It seemed to understand why Little Huahua chose Yun Chujiu as her personal disciple!

She was too freakish!

Although the Thunder Root Spirit was relatively rare, Yun Chujiu’s condition could not be explained with that.

Directly devouring the Thunder Spirit Energy was unheard of—absolutely unheard of!

Plus, that dark bird!

No wonder it could spit out a fireball with the power of thunder and lightning, it was also a freak!

‘Sobs...’ It had previously scolded that bird before. If it had known that it was so weird, it would not have provoked it! It was not known if it would be too late to rectify things then.

Yun Chujiu checked her spiritual power and sure enough, it had risen to the fourth level of the spirit enhancement realm. She smiled and waved at the rolling pin. "Little Flame, let's retreat! Otherwise, it'll be bad if someone comes to check on us later."

The rolling pin was very obedient and flew into Yun Chujiu's hand.

Yun Chujiu ran to the edge of the forest and met a few elders who came to check on her. Coincidentally, these elders all knew Yun Chujiu's identity as a Little Ancestor.

The elders looked at each other. One of the elders coughed dryly and said, "Why are you here?"

Yun Chujiu was delighted. This old man was quite polite. He actually needed her!

"Hello, elders! I came out of the library and saw a wind-blade rabbit. I chased it into the forest! Unfortunately, it ran too fast and I couldn't catch it." Yun Chujiu was very smart. She did not have Master Xuanyuan's support there, so she naturally would not put on airs.

"There were several heavenly lightning bolts just now. They didn't hurt you, right?" Seeing that Yun Chujiu was tactful, the elder felt a little better.

"No! I didn't do anything bad. Those bolts of lightning won't hit me!" Yun Chujiu straightened her small body and said confidently.

Although the rolling pin had already experienced Yun Chujiu's nonsense, it was still shocked by her ability to lie through her teeth. 'Master, you're too shameless!'
