

The Yun Family's Ninth Child is an Imp! Chapter 1902

Old Madam Liu raised her head and saw that Mo Junchen was once again blocked in front of her by Yun Chujiu. Furthermore, Yun Chujiu was holding a rolling pin in her hand and was looking at her provocatively.

“You’ve rebelled! You’ve rebelled! You Little Slut! I think you don’t want to stay in the Mo family anymore. If you dare to touch a single hair on Junchen’s head, I’ll Take Your Life!” Old Madam Liu was so angry that she was trembling, this wretched girl was really too detestable. She was just as detestable as that slut from before.

Although Mo Junchen could not move this time, Yun Chujiu did not hit his mute acupoint, therefore, she cursed loudly, “Slut! You motherless slut! You Country Bumpkin from a low-grade continent, I won’t let you off! Just you wait, sooner or later, I’ll sell you to the Cauldron Hall and let you ride thousands of people...”

Before Mo Junchen could say anything, he was replaced by a scream because Yun chujiu swung the rolling pin and smashed it on Mo Junchen’s calves!

Crack! Crack!

Everyone heard two muffled sounds. Mo Junchen’s calves were actually broken by Yun Chujiu!

Everyone was shocked by this change!

Was this country bumpkin crazy? !

Although it was said that a broken calf bone could be cured with medicine, MO Junchen would not be able to walk on the ground for at least half a year. This attack was too ruthless!

Wu Shi and the others could not help but shiver. Although this country bumpkin's spiritual power was low, his attack was too vicious. Even his own younger brother could do it. It was better to stay away from her in the future.

However, there was probably no future. She had severely injured the old Madam's precious treasure. According to Old Madam Liu's personality, she would definitely not let her off. She might even take her little life.

Mo Fangqin's head buzzed. Her heart was filled with anxiety and anger. There was also a hint of bitterness. Was this country bumpkin avenging her? Was she worth it for a country bumpkin to do this?

Everyone was eerily silent. Only Mo Junchen was crying miserably with snot flowing down his nose. "Grandmother! Save Me! It hurts so much! Grandmother, quickly kill this B * Tch!"

Old Madam Liu's heart ached and she was furious. "Little B * Tch! I Won't forgive you! I Won't Forgive You!"

The rolling pin in Yun Chujiu's hand had been pointing at Mo Junchen, so that old woman did not dare to act rashly. She could only watch.

Yun Chujiu said with a smile, "Grandmother, I'm doing this for the sake of our Mo residence. Junchen is such a stupid person. If he goes out, he will only cause trouble. You Can't bear to deal with him, so I can only break his leg so that he can calm down."

Old Madam Liu was so angry that she almost fainted. "You! You! You're BULLSH * t! Little B * Tch, I will personally catch you now. I want to see if you dare to hit me too!"

After old madam Liu finished speaking, she leaped towards Yun chujiu. At the same time, that old woman also made her move.

Even if Yun Chujiu had Mo Junchen as a shield, it was impossible for her to dodge the attack of two people. Moreover, she could not really kill Mo Junchen. If she really killed him, then it would be a dead end.

Yun chujiu blinked her eyes and was about to escape when she heard a low voice coming from the courtyard, "Stop!"

Yun chujia cursed in her heart. This Old Fox was really patient. He only appeared after forcing her into a corner. Was he trying to make her feel grateful?

Old Fox, you're thinking too much. Originally, I only wanted to hug your leg. The rest were just stepping stones for me to climb up.
