

The Yun Family's Ninth Child is an Imp! Chapter 1903

As soon as Mo Xiaoting spoke, Old Madam Liu and the old woman stopped in their tracks. Yun chujiu couldn't help but curse in her heart. It looked like Mo Xiaoting's authority was supreme in the Mo family. He had chosen the right thigh!

Yun chujiu blinked her eyes and sneakily kicked Mo Junchen. Mo Junchen was in so much pain that he couldn't even feel it.

Everyone's attention was focused on the courtyard door. With Mo Junchen's body covering them, no one noticed Yun Chujiu's actions.

Soon, the courtyard door opened and Mo Xiaoting walked out.

Mo Xiaoting's face was dark, "What's going on? Don't you know this is my study room?"

Old madam Liu said angrily, "Old master, this B * Tch is too much! She broke Junchen's leg! This B * Tch doesn't deserve to stay in the Mo residence. She should be kicked out."

After hearing old madam Liu's words, Mo Xiaoting turned to look at the Wailing Mo Junchen on the ground. Although the old woman had already fed him pills to stop the pain and bleeding, the pain was still unbearable.

Mo Xiaoting furrowed his brows as his expression darkened. Everyone present did not dare to breathe. They knew that Mo Xiaoting was angry.

“Boss’s wife, why don’t you tell us what happened? If you dare to lie, HMPH!” Mo Xiaoting looked at Wu Shi.

Wu Shi thought to herself, what bad luck. How did she end up being the one being questioned? But, she didn’t dare to keep it a secret. So, she had no choice but to bite the bullet and tell her the whole story. She didn’t dare to lie; everything she said was the truth.

Mo Xiaoting’s expression remained dark, “Since you’ve seen the entire process, tell us who was at fault and how we should deal with it.”

Wu Shi’s heart tightened. She did not believe that Mo Xiaoting had asked for no reason. He must be testing her. Although Mo Peng was the eldest son, it was hard to say who would be in charge of the Mo residence in the future, so, she could not make a mistake in her answer.

Wu Shi tried to figure out what Mo Xiaoting and Old Madam Liu were thinking and said, “Father, according to my daughter-in-law, this incident was caused by Fang Cao. So, she is the main culprit.”

Although Jun Chen was a little stubborn, it wasn't a big deal. As an older sister, Fang Cao shouldn't have broken Jun Chen's leg with such a heavy hand.

Moreover, Fang Cao had repeatedly contradicted her grandmother. She was simply disobedient and UNFILIAL. As a younger sister, Fang Qin did not stop her in time and even messed around with her. So, she should be punished as well. However, the punishment should be a little lighter."

After hearing Wu Shi's words, Mo Xiaoting's expression softened a little. He then asked, "If I hand her over to you, what do you plan to do with Fangcao and Fangqin?"

Seeing that Mo Xiaoting's expression had softened, Wu Shi felt a little more confident, "Father, my daughter-in-law feels that fangcao should be punished severely for disobeying my grandmother and beating up my younger brother."

"However, if we kick her out of the Mo residence, it would be a joke to outsiders, so we should lock her up. If there is a suitable family in the future, we can marry her off and make a contribution to the Mo residence." "Fang Qin is an accomplice, so she can be given a lighter sentence. Let the second sister-in-law deal with her."

Mo fangqin couldn't help but sneer in her heart. First aunt really had a good plan. On the surface, it seemed like she would be given a lighter sentence, but if she ended up in Madam Luo's hands, she would lose at least half her life. The punishment for the country bumpkins was even more ruthless. A suitable family? It was likely that they would have to marry the country bumpkin to someone else as a concubine or marry a fool or something like that in order to exchange for some benefits.
