

The Yun Family's Ninth Child is an Imp! Chapter 1907

The corner of Mo Fangqin's eyes twitched. After such a big commotion, this fellow actually had the mood to go to the big kitchen to look for food. There was really no one else!

Although Yun Chujiu did not know where the big kitchen was, Mo Fangqin did. Hence, the two of them took a detour to the Big Kitchen.

The gossip spread the fastest. Yun chujiu's heroic deeds had long spread. The servants in the big kitchen all nodded and bowed. What a joke. This country bumpkin even dared to break young master Jun Chen's legs. How would they dare to provoke him? !

Therefore, Yun Chujiu emptied the delicious food in the big kitchen and returned to Tinghe Xuan with Mo Fangqin in high spirits.

Qing Liu and Qing Zhi had also heard about the incident. Therefore, as soon as Yun Chujiu entered the courtyard, Qing zhi said guiltily, "Miss FANGCAO, it's all this servant's fault. Please..."

Yun chujiu waved her hand. "Don't talk about that. I have long disliked that idiot! Besides, I will naturally protect my people. I will kill whoever moves!"

Qing Liu and Qing Zhi were touched by Yun Chujiu's overbearing manner. They thought that they would definitely be at a disadvantage, but they did not expect Miss Fang Cao to really stand up for them.

“Alright, if you want to thank me, quickly get a boat and pick some lotus seeds for me! Don’t worry, Mo Junchen that Idiot’s legs are broken. He definitely won’t bully you.”

Qing zhi quickly volunteered to borrow a boat to pick the lotus seeds while Qing Liu helped Yun chujiu arrange the food. Only then did Yun chujiu and Mo Fangqin start eating breakfast. It wasn’t breakfast anymore, it should be lunch.

Mo fangqin only ate a little and then stopped eating. Yun chujiu still didn’t ask anything and continued to eat happily.

After lunch, Mo Fangqin gritted her teeth. “Big Sister, come in for a moment, I have something to tell you.”

Yun Chujiu was secretly happy. The fish was finally going to take the bait. It was not easy to catch a mermaid!

The two of them entered the house, mo fangqin said with a serious expression, “Sister, I used to think that you were a country bumpkin who couldn’t do anything. But after getting along with you these days, I can see that you are an extremely smart person. This small Mo family will definitely not be able to trap you.”

“Hehe, third sister, your flattery is no worse than mine! Say a few more words and let me enjoy myself.” Yun Chujiu said slyly.

Mo Fangqin glared at her. “Eldest sister, be more serious. What I said is the truth!” Originally, Luo Shi had asked me to monitor you, but now, I have decided to follow you from now on! I only have one request. It doesn’t matter to me. You must think of a way to ensure my aunty’s safety. As long as you agree to this, I will be at your disposal.”

Yun chujiu nodded. “Third sister, I am such a smart person, and it doesn’t matter whether I have a follower or not. However, your filial piety towards Aunty Qiu has touched me. Alright, I agree to you! “As long as you are obedient, I will not only guarantee your aunty’s safety, but I will also give you a bright future!”

“Big Sister, I will listen to you from now on!” Mo Fangqin was inexplicably excited. Although Yun Chujiu was still under the control of others, and although she was only at the second level of the spiritual venerable realm, she believed that Yun Chujiu would definitely do it.

Yun chujiu nodded her head in satisfaction. She had successfully captured one of her followers! This fellow was just that Shameless. He had clearly planned this for a very long time, yet he spoke in such a nonchalant manner.

“Big Sis, why did you make such a scene today?” If you made such a scene, not only would grandmother and Mo Junchen hate you, father and Luo Shi would also hate you. Even the eldest and third wives would be unhappy with you. What exactly are you thinking?” Mo fangqin asked in puzzlement.
