

The Yun Family's Ninth Child is an Imp! Chapter 1908

Yun chujiu did not answer but asked instead, "Third sister, do you think grandfather is reliable?"

Mo Fangqin was stunned and did not answer immediately, instead, she thought for a moment and said, "Grandfather is the head of the Mo family, so he is naturally reliable. However, his protection for us should not be reliable because I really don't understand why he would allow you to be so ridiculous."

Yun chujiu snapped her fingers. "Third sister, I told you that you are quite smart! You are right. Although grandfather's authority is supreme in the Mo family, he would not dote on me especially just because I look like a fairy."

"Then what is the reason?" Mo Fangqin's eyes twitched violently. You Are Really Shameless!

"Because of ambition! You also know that the Mo family's main family is in the eastern continent. Grandfather is naturally unwilling to be trapped in the western continent where the spiritual energy is sparse. Therefore, whenever there's an opportunity for the Mo family to rise up, he will not let it go. And I am that opportunity."

Mo fangqin could not help but curl her lips. "Big sister, although I think you're quite powerful, but aren't you saying something? How can a little girl from a lower continent like you allow the Mo family to return to the eastern continent?"

"I know you want to say that I'm Shameless. Just say it. The greatest advantage of me is that I'm Shameless. The reason why grandfather thought that I was an opportunity was because he must have tried all kinds of methods before this but failed. This was like a drowning person. Even if you threw a straw at him, he would still think that this was an opportunity! "I am that life-saving straw!" Yun Chujiu said, she smiled brightly.

Mo Fangqin was a little stunned. It was not because of Yun Chujiu's appearance, but because of the confidence and flamboyance that she exuded from within.

Mo Fangqin came back to her senses and continued to ask, "But, you haven't told me why you're making such a fuss. You've offended almost everyone. Aren't you digging a hole for yourself?"

"Third sister, you don't understand, do you?!" "I'm now a rat crossing the street. I've offended all the people in the Mo residence. Only then can grandfather be at ease with me!" "It's impossible for a person like me to form an alliance with anyone for personal gain. I can only work for grandfather wholeheartedly," Yun Chujiu said with a smile.

"There's only one reason?"

"Ahem, the rest of the reasons aren't worth mentioning! For example, I just don't like that Idiot Mo Junchen. For example, I want to use the Tiger's power to intimidate him. For example, I want to lure the snake out of its hole!"

“Lure the snake out of its hole?” Mo Fangqin was even more confused.

“That’s right. Didn’t you say that Father and second aunt brought me back for a reason. Once the news of me being valued by grandfather is spread, they definitely won’t be able to sit still. They might rush over tomorrow. “Of course, that Idiot Mo Junchen was beaten by me. They will definitely come over to denounce him. I’m So Scared!”

Mo Fangqin’s mouth twitched. No matter how she looked at it, she felt that the country bumpkin’s expression was not one of fear, but eagerness!

“Third Sister!”! There’s something I have to tell you first. Second aunt will definitely come to you to ask about what happened this time. She might even ask you to do something to frame me. If you don’t agree, she will use Aunt Qiu to threaten you. What will you do then? One side is your mother, and the other side is a peerless young lady. What do you choose?” Yun chujie looked at Mo Fangqin and asked with a faint smile.

It was originally a very serious and difficult question, but it was deflected by the Peerless Young Lady!
