

The Yun Family's Ninth Child is an Imp! Chapter 1909

Mo Fangqin finally managed to get her thoughts back on track. After pondering for a while, she said, "Big sister, since I've decided to follow you, I'll believe you."

"So, if mother really uses my aunt's life to blackmail me, I'll pretend to agree and tell you the truth. I believe that you'll think of a way to protect my aunt."

Yun Chujiu nodded her head in appreciation. "Third sister, it seems that other than the Old Fox and I, you are the smartest person in the Mo family! Continue to work hard, I have high hopes for you!"

The corner of Mo Fangqin's eyes twitched. The two of them chatted for a while longer before Liu Zhi picked up the lotus seed pod.

Yun Chujiu immediately jumped into the courtyard to eat the lotus seed pod. After eating a few lotus seeds, this fellow did not like to eat them. This lotus seed pod was nothing more than a crisp and tender fragrance. It did not have any special taste.

However, Qing Zhi was afraid that Yun Chujiu didn't have enough to eat, so she picked up a bunch of lotus seeds.

Qing zhi rolled his eyes and put the lotus seeds into his storage ring. He then said to Mo Fangqin, "Third sister, let's go and gain some goodwill!"

Mo fangqin followed Yun chujiu out of Tinghe Xuan as a follower.

Soon, the two of them arrived outside Mo Xiaoting's study room.

"Grandfather, I've brought you some delicious food!"Yun chujiu shouted as she pulled at her neck.

The guard guarding the study room was dumbfounded. This Miss Fangcao was truly a weirdo. They didn't even need to pass the message to her. She had her own voice function.

Mo Xiaoting gave them some face and asked the guard to let them in.

"Grandfather, this is a freshly picked lotus seed pod. I didn't even have the heart to eat it, so I brought it here for you to try,"Yun Chujiu said with a smile.

Mo fangqin thought to herself, this guy is so shameless! He can't bear to eat it? You're the one who's tired of eating it!

Mo Xiaoting may be ambitious and selfish and cold-blooded, but when he saw his granddaughter trying to curry favor with him, he felt a sense of relief.

Mo Xiaoting Thought for a moment before taking out two mid-grade spirit tools from his storage ring, "I'll give them to you!"

Yun Chujiu accepted the spirit tools and said with a smile, "Thank you grandfather! We still have to visit grandmother, so we'll take our leave first."

Mo Xiaoting waved his hand and Yun Chujiu and Mo Fangqin stepped out.

After walking a distance, Yun Chujiu said proudly, "Third sister, did you see that? A few lotus pods were exchanged for two mid-grade spirit tools. Do you know what this means?"

Mo Fangqin was at a loss. "What does it mean?"

"This means that grandfather is very stingy! He actually only gave us two middle-grade spirit tools. I thought that he would give us two upper-grade spirit tools no matter what!" Yun Chujiu said while pouting.

Mo Fangqin was speechless. Is it really good for you to be so greedy? ! A few lotus seeds exchanged for two middle-grade spirit tools. What else do you want? !

“Big sister, are we really going to visit Grandma? Grandma hates us to death now. If she sees us, won’t she be angry? Aren’t we walking into a trap?”

“Don’t worry. We have Grandpa’s great amulet. She only dares to scold US verbally. If she wants to scold us, she can scold us. Anyway, there’s a lot of meat left.”

“Then let’s go back and cultivate. Why do we have to pick up and scold her?” Mo fangqin thought to herself. She had heard of people picking up money, but she had never heard of people picking up and scolding them. Could it be that country bumpkins were bored? !

“Third sister, you unfilial Brat! Grandma is sick. Shouldn’t we go and visit her? Stop Dawdling and hurry up!” Yun chujiu pouted and said.
