

The Yun Family's Ninth Child is an Imp! Chapter 1912

Yun Chujiu's face revealed an angry expression. "Grandmother, Our Mo family is definitely one of the best in this Feng Li City. Why must second aunt urge my father to set up his own family?"

That's because she doesn't want to come over to pay her respects to you or listen to your teachings. She wants to be the mistress herself! She wants to avoid you! She just felt that there were no tigers or monkeys in the mountains that could call themselves kings. She wanted to be the master of her own house!

You are so good at managing the house. You are so wise. If she were to live by your side, you would definitely point out her shortcomings. How could she be as glorious as she is now? You Don't even know that second aunt is now amazing. Who doesn't have the right to address her as Madam Luo respectfully? How would they know that there's still you in the Mo Residence?"

"Slut! Second Brother is a soft-hearted person. That slut will do whatever she says. I'm really angered to death!" Old Madam Liu was so angry that she started cursing, she was originally dissatisfied with Lady Liu urging Mo Cheng to establish his own family. Now that she heard Yun Chujiu's words, she naturally could not contain her anger.

"Grandmother, please calm down. This body is the most important. Please continue listening to what I have to say. "Firstly, I can't stand the fact that second aunt is unfilial to you. Secondly, I'm worried about my sister Fanghua and brother Junchen!" Yun Chujiu said bitterly.

Old Madam Liu could not help but Snort coldly. "You don't have to be so hypocritical! Fanghua is outstanding among her peers, and Junchen is even more sensible. What are you worried about?"

“Grandmother, let’s talk one by one. Let’s talk about my sister Fanghua first. Yes, Sister Fanghua does have high spiritual power, and she is as beautiful as a flower. However, the most important point is that second aunt has taught her badly!

“She doesn’t put you in her eyes at all. Sometimes, she doesn’t even call you grandmother. She only talks about that damn old woman! “She also says that you are rude and unworthy to be the mistress of the Mo family. You should hand over the power of the housekeeper to second aunt.”

“What? ! Impossible! Fanghua has always been filial. How could she say that? It Must Be You, this little slut, slandering Fanghua.” Old Madam Liu said angrily.

“Grandmother, why are you always so anxious? “Please listen to me. I Can’t run away. You can find me at any time to settle the score. “I reckon that my father and the others might come tomorrow. Sister Fanghua might also come. You can observe and see if I’m right. See if she doesn’t put you in her eyes.”

Yun chujiu picked up her teacup and took a few sips. Firstly, she was thirsty, and secondly, she was secretly observing old madam Liu’s expression.

Yun chujiu saw that although old madam Liu said she didn’t believe it, her expression was a little suspicious, then, she continued, “Grandmother, i’ll talk about Jun Chen after I finish talking about Fanghua. Jun Chen is the only boy in our two branches. Do you think I won’t Dote on him? “I will be married in the future. If anything happens, don’t I still have to rely on Jun Chen as a younger brother?”

Old Madam Liu heard Yun Chujiu's words and her heart grew more convinced. What this little slut said made sense. Her mother's family was a woman's backer. There was no reason for her to harm Jun Chen.

"Grandmother, the reason why i hit Jun Chen is really for his own good! Grandmother, I know that there are some things that I have said and you will definitely be unhappy. However, I still have to say some advice that is harsh to the ear.

Although you have taught him well, how can second aunt, that short-sighted person, compare to you? ! Therefore, some of Jun Chen's bad habits are caused by second aunt!"Yun chujiu was the best at avoiding the serious and making light of it. In any case, it was right to let Madam Luo take the blame.
