

## The Yun Family's Ninth Child is an Imp! Chapter 1913

"Grandmother, let's talk about the truth behind closed doors. Junchen is already thirteen years old, but his spiritual power is only at the third level of the supreme spiritual stage. Don't you think it's a little low?"?

Although he was young and unpredictable, he was really too naughty! Not to mention other things, he even dared to make a big fuss in front of his grandfather's study and even called himself little master. With his temper, if he were to go out and provoke someone extraordinary, it wouldn't be as simple as just breaking his legs!

At that time, not only would he lose his life, even you and our Mo residence would be implicated. At that time, it would be the end of our family!

Grandmother, every time I think about this, my heart would turn a hundred times! I wanted to say it, but I was afraid that you would be angry. I didn't want to say it, but I was really worried about Jun Chen. So, today, I might as well make a scene. Firstly, it will let Jun Chen learn his lesson. Secondly, it will give you a chance to teach second aunt a lesson."Yun Chujiu said until here, and shed a few crocodile tears.

Old Madam Liu frowned. Although she was unwilling, she felt that what Yun Chujiu said made some sense. She doted on Mo Junchen very much. If not for today's incident, she would not have the patience to listen to Yun Chujiu even if she was spouting all sorts of nonsense.

However, when she recalled the scene where Mo Junchen's leg was broken by Yun Chujiu today, if Mo Junchen had offended someone else today, it would not be as simple as just breaking his leg.

“What opportunity?” Of course, Old Madam Liu wasn’t willing to attribute Mo Junchen’s mischievousness to her doting, so she naturally agreed with Yun Chujiu’s words. All of this was caused by madam Luo!

“Grandmother, I think you also know that second aunt brought me back to use me. My father was deceived by her and agreed to it. However, by doing so, she pushed my father to the edge of the cliff.

I am my father’s biological daughter. If this matter were to spread, how would people comment on my father’s character? A vicious tiger would not eat its own son! This method is worse than a beast!

Not only will my father’s reputation be damaged, even your and grandfather’s reputation will be affected! Who will benefit in the end? Isn’t it still her second aunt? Maybe there is something going on with her family!”

Yun chujiu was completely clueless. She had heard a lot of things from the onlookers in Jinchuan city. After some polishing, she had pieced them together.

Old Madam Liu was originally unhappy with the rise of Madam Luo’s family. After hearing Yun Chujiu’s words, she immediately became suspicious. Could it be that that slut was really doing this for her family? No wonder the Luo family had risen over the past few years. Perhaps it was that slut who had dragged a lot of things into her family. How hateful!

“Grandmother, let me say one last thing to you from the bottom of my heart. It would be a lie to say that I don’t hate second aunt. However, as long as she doesn’t have any second thoughts about you and is honest in the future, I won’t say anything more even if it’s for little brother Junchen.” Yun chujiu said sincerely.

“HMPH, you are still sensible. Why didn’t you tell me this before?” Old Madam Liu believed Yun Chujiu’s words, so her attitude softened.

Yun Chujiu gave a wry smile. “Grandmother, second aunt must have ruined my reputation. Even if I told you, you might not believe me!” It was said that a granddaughter could not be separated until she was destroyed. After all that had happened, wouldn’t the two of us become even closer? !”

Matriarch Liu curled her lips. “You said that this is a good opportunity to deal with Luo Shi. What kind of opportunity is it?”
