

## The Yun Family's Ninth Child is an Imp! Chapter 1919

"Grandmother, as time goes by, you will know if I am truly filial! Third sister and I did not even have lunch to greet you. Do you think we are sincere?"

As he spoke, he peeked at the dishes on the table. He cursed in his heart. This old lady was really extravagant. She actually had so many dishes on her own.

Hearing Yun Chujiu's words, old madam Liu finally had a smile on her face. "Are you still going to accompany your grandfather to read in the afternoon?"

"Grandfather has something to attend to, so we don't have to go over in the afternoon. Grandmother, you should eat quickly. If the dishes get cold, it will affect your taste and it will also be bad for your stomach." Yun Chujiu said with a smile.

The smile on old madam Liu's face deepened. "Alright, you little girl are quite attentive."

"Grandmother, actually, this person has two sides of being attentive and careless. That's why I don't take him seriously! "I'm usually the most temperamental, but when it comes to matters between you and grandfather, I naturally have to be attentive." This fellow had never been stingy in boasting about himself, what a joke, if you don't say something, how would others know? The fragrance of Wine was afraid of the depth of the alley!

“You Little Monkey, you really know how to talk! Since you guys haven’t eaten, let’s eat together. Anyway, there are so many dishes!” Old Madam Liu scolded with a smile.

“Hehe, grandmother, you’re really amazing! Did you guess that I’m here for lunch? I Can’t help it, who asked you to have delicious dishes here!” Yun Chujiu said with a cheeky smile.

Old Madam Liu scolded her with a smile and asked the maid to add two more chairs. The three of them sat down to eat lunch.

Granny Gao was dumbfounded. Yesterday, old madam Liu was still shouting about fighting and killing. Today, they were sitting together to eat? This title had been upgraded from a little girl to a little frisky monkey? This was completely a nickname!

No matter what, this Miss Fang Cao had sent a big bunch of lotus seeds yesterday. Today, she didn’t take anything and just left to eat lunch?

Granny Gao boldly guessed that it would not be long before miss fangcao would become the most favored granddaughter. Perhaps, only young master Jun Chen would be more favored than her. The rest of her grandchildren would be further behind.

As the three of them were eating, Yin Hong walked in and reported, “Old Madam, first madam, second madam, third madam, and all the young misses are here to see you.”

Old Madam Liu was taken aback. "Luo Shi Is Here?"

"Yes, not only second madam is here, Miss Fanghua is here as well."

Yun chujiu blinked her eyes, she lowered her voice and said, "Grandmother, it's a little strange. Why are they here together? Could it be that second aunt went to first aunt and third aunt first? Logically speaking, second aunt and sister Fanghua should have come to see you directly when they came. How could they go past you to see their peers?"

Old Madam Liu's anger was immediately roused. She slammed the table. "That slut! She must have gone to the eldest and third daughter-in-law to fan the flames again. She definitely doesn't have any good intentions!"

"Grandmother, that's not necessarily the case. Perhaps second aunt went to ask what exactly happened yesterday." Yun Chujiu explained openly, but in reality, she was adding fuel to the fire.

"HMPH! Won't she just ask me directly? ! This B \* Tch might be taking advantage of this opportunity to take Junchen back. She's getting the eldest and third daughter-in-law to speak up for her. How Outrageous!"

Yun Chujiu was secretly happy. Damn it, this old woman's imagination was too strong. This time, there would be a good show to watch! Second aunt, Mo Fanghua, don't let me down! You're courting death!
