

The Yun Family's Ninth Child is an Imp! Chapter 192

Feng Ming rubbed his nose. Junior Sister Jiu was really a thief. She actually turned a disadvantage into an advantage with just a few words! It made it seem like she was more popular than him!

Yun Chujiu and Feng Ming entered the Spirit Beast Garden under the escort of all the girls.

The Spirit Beast Garden on the West Peak was the largest of the six peaks. This was because the West Peak had three Beast Tamers, while the other peaks had none.

In the Qingxuan continent, whether it was alchemists, Armament Masters, Array Masters, Talisman Masters, or Beast Tamers, they were all very rare. Therefore, no matter which one of them had reached level five or above, they were all coveted by various sects.

Two of the three Beast Tamers on the West Peak were level five, and one was level six. They received preferential treatment throughout the entire Spirit Radiance Sect.

“Junior Sister Little Jiu, let’s go see the baby of the Mighty Elephant. Don’t be fooled by how fierce the adult Mighty Elephant is. The babies are very cute!” one of the female disciples called Su Yun said with a smile.

Yun Chujiu remembered that back in the Demon Beast Forest, one had indirectly saved her, hence she immediately agreed.

The group arrived at the garden where the Mighty Elephant was kept.

The ones guarding the garden were two outer disciples. One of them saw Yun Chujiu and his eyes gleamed fiercely—it was Luo Feng.

Yun Chujiu had also noticed Luo Feng, hence she became even more careful.

The Mighty Elephant had a ferocious temperament, hence the people of the Spirit Beast Garden had created a huge pit to raise them. On top of it was a formation to prevent them from escaping.

“Little Sister Jiu, look! The furry one in front is the baby. Isn’t it cute?” Su Yun warmly greeted Yun Chujiu.

Yun Chujiu looked in the direction Su Yun was pointing at and indeed there was a furry little guy standing in the middle of the five elephants.

The little fellow saw everyone and even playfully shook its long nose.

“Even though these Mighty Elephants have fierce temperaments, it’s still alright for us to look from such a distance. Even the disciples who raise them shouldn’t get too close to them!” Su Yun smiled and said.

At that time, Luo Feng walked over with a cold expression. “Please make way, it’s feeding time!”

Everyone hurriedly made way, Luo Feng opened a small hole in the formation and took out fresh beast meat from his storage bag and threw it down.

The beasts scrambled to eat.

Just as Yun Chujiu was enjoying the scene, Luo Feng staggered and pushed Yun Chujiu’s back.

Yun Chujiu had been on guard the entire time. As she retreated, Luo Feng’s palm hit Su Yun beside her.

Su Yun screamed with her body leaning forward, looking like she was about to fall. Yun Chujiu did not have time to think and hurriedly reached out to pull Su Yun. Luo Feng was already blinded by hatred so he pushed instead—pushing both Yun Chujiu and Su Yun down.

All of this happened in a flash so when everyone reacted, Yun Chujiu and Su Yun had already fallen to the bottom of the pit.

Luckily the two of them happened to land on the Mighty Elephant nest which was covered with a thick layer of hay, hence they did not get hurt.

Su Yun was so scared that her legs went soft as she grabbed Yun Chujiu's arm tightly.

"L-Little Sister Jiu, I'm sorry, I'm the one who dragged you down," Su Yun said guiltily.

Yun Chujiu sighed and thought to herself, 'It's not you who dragged me down. It's clearly me who dragged you down.'

"Senior sister Su, let's talk about this outside. Right now, the most important thing is to get out alive."

Su Yun said with a sobbing voice, "I'm afraid we won't be able to live! An adult Mighty Elephant is a spiritual beast of the eighth level, which is equivalent to a human of the ninth level. The two of us together can't even defeat that small one!"
