

## The Yun Family's Ninth Child is an Imp! Chapter 1922

Wu Shi and Lady Niu did not know how to persuade Old Madam Liu when they saw how angry she was. They were afraid that they would get into trouble.

Old Madam Liu became even angrier when she saw that all of them were motionless like wooden stakes. It seemed that they were just like that slut. They all wished for me to die as soon as possible so that they could divide the family fortune. What a bunch of slut!

At this moment, Yun chujiu rushed in from outside. "Grandmother! My dear grandmother, What's wrong with you? Your Anger is hurting your body. Quickly calm down!"

Mo Fangqin's mouth twitched as she followed her in. She thought to herself, you're asking even though you know the answer. Isn't this all part of your plan? !

Yun chujiu rushed to old madam Liu's side, she coaxed and advised, "Grandmother, don't be angry. If You're angry, won't you be punished by someone? Someone is like a grasshopper after autumn. No matter how much they jump, they won't be able to escape from your palm!

"It's not that you can't beat her, it's just that you are too merciful and soft-hearted. There's still plenty of time in the future. I Won't be angry, I Won't be angry! "If you are angered to the point that your body is damaged, as your granddaughter, My Heart Will Ache to death!"

Old Madam Liu let out a long sigh. "You are still the filial monkey, that slut from the Luo Shi! And that Fang Hua is infuriating me to death!"

Wu Shi, Niu Shi, and company had their eyes wide open. Their mouths were agape. Oh God, in just a night, how did the world change?

Didn't the old madam still yell at this country bumpkin yesterday? Didn't she call him a little slut?

Why, did she become so affectionate today? Little Monkey? This was obviously a nickname! What exactly happened?

Yun chujiu saw that old madam Liu was almost done being angry, then she said to Wu Shi, Niu Shi, and the others, "First aunt, third aunt, I didn't do what I said yesterday. Please don't take offense. "Yesterday, Grandmother taught me a lesson. I have already learned my mistake. In the future, I will definitely be filial to grandmother and take good care of little brother Junchen."

Wu Shi and Niu Shi were dumbfounded. What the hell was going on?

Old madam Liu snorted coldly, "Didn't you hear Fangcao apologizing to you? Why are you still standing there?"

“Fangcao, it’s good that you know your mistake. It’s good that you know your mistake.” Wu Shi and Niu Shi felt as though they had been bickering in their hearts. Why did the two of them, who were incompatible with each other yesterday, suddenly turn into grandfathers and grandsons?

“Eldest brother, third brother, that SL \* t Luo Shi has returned to her home. What should we do?” Asked old madam Liu with a cold expression.

Wu Shi and Madam Niu exchanged glances. Wu Shi said, “Mother, second sister-in-law is clearly unhappy with you. I reckon that only second brother can bring her back from the Luo Residence.”

“Mother, second sister-in-law’s rebuke to you clearly shows that she doesn’t take you seriously. You shouldn’t have allowed second brother to bring her back. It’s better to leave her alone for a few days.”

Wu Shi and Niu Shi wished for the matter to blow up. This way, the second branch would not be able to compete with them for the family assets.

Upon hearing the duo’s words, Old Madam Liu became even angrier. “Is there a need for you to say all this? What’s the point of keeping her in the dark? Won’t others judge her? What I want is for that SL \* t, Luo Shi, to bow her head and admit her mistake!”

Wu Shi and Niu Shi frowned. Luo Shi was clearly planning to shed all pretense of cordiality. How could she possibly come back to bow her head and admit her mistake? Besides, she still had the Luo family backing her up!

“You two are useless! Fangcao, tell grandmother. Do you have any way to make that slut admit her mistake to grandmother?” Matriarch Liu looked at Yun Chujiu who was standing to the side.
