

The Yun Family's Ninth Child is an Imp! Chapter 1923

Yun chujia rolled her eyes and leaned over to whisper a few words into old madam Liu's ear. Old Madam Liu kept nodding her head, "You Little Monkey is really smart! Alright, we will do as you say!"

Wu Shi and Niu Shi were extremely curious. What method was this country bumpkin talking about?

"Mother, what method is fangcao talking about?" Niu Shi asked out of curiosity.

"HMPH! If I told you, you might have tipped off that SL * t, Luo Shi! When the time comes, you will naturally know," said old madam Liu with a cold expression.

Wu Shi and Mrs Niu's faces turned stiff. What exactly happened? How did a country bumpkin suddenly become the most favored?

The two of them did not have as much confidence as Mrs Luo, so they naturally did not dare to retort. In any case, they would know what was going on sooner or later.

The two of them spoke a few more sentences dryly, then brought mo fangshuang and the other two out of the main courtyard.

“Sister-in-law, what kind of sorcery did that country bumpkin use? Why does the old madam and the family head favor her so much?” Lady Niu asked in puzzlement.

“Third brother and sister-in-law, I’m also very puzzled! They were clearly shouting about fighting and killing yesterday, how did they all change in one night?” Wu Shi was also baffled.

The two of them discussed for a long time, but they still could not figure out what was going on. However, both of them had other plans in mind.

Inside the room, Yun Chujiu leaned against old Madam Liu’s ear and said, “Grandmother, now is a great opportunity to uncover eldest aunt and third aunt’s spies. They must be wondering why our grandfather and grandson have reconciled. Therefore, they will definitely think of a way to find out about the spies they have planted in your yard. All you need to do is get nanny Gao to send someone to keep an eye on them.”

Old Madam Liu nodded her head in praise. “You are indeed smart, little monkey. Not only did you manage to uncover their informants, you even managed to uncover that SL * t Luo Shi’s informants.”

“Grandmother, how can my little bit of cleverness be compared to your wisdom! I have much to learn from you!” Yun Chujiu openly flattered her.

Mo fangqin, who was standing by the side, had her mouth twitch. She reckoned that she would never be able to learn this shameless personality of hers in this life, the next life, or the next life.

After Yun chujiu coaxed matriarch Liu, she brought mo fangqin back to Tinghe Xuan.

“Elder sister, what ideas did you come up with for Grandmother?” Mo fangqin asked curiously.

“I asked grandmother to send a reliable person to fetch your aunt over, and then I asked grandmother to stop father from going to the Luo residence. Luo Shi will definitely go for it.” “That’s not all. I even asked grandmother to tell grandfather to suppress the Luo Residence’s business. With a two-pronged approach, there’s no need to be afraid that the Luo clan will not bow down.”

Mo fangqin was pleasantly surprised. This was great. She could take the opportunity to bring her aunt to the old residence. Furthermore, her grandmother and Luo Shi had already fallen out, so she would definitely send people to protect her aunt’s safety.

Yun Chujiu’s eyes flashed with a stern look. Luo Shi, Mo Cheng, we are not afraid of settling scores. Let’s take it slow!

At night, just as Yun Chujiu was about to fall asleep, the voice transmission charm in her storage ring began to vibrate!

Yun chujia took out the voice transmission talisman with a trembling hand. Di beiming's deep voice came from inside, "Little Jiu, from now on, men and women are not related to each other. You, you take care."

If it was an ordinary girl who received such a message, she would definitely cry bitterly and seek death. However, it was clear that Yun chujia was not an ordinary person!

She blinked her eyes, she smiled and said, "Alright! Anyway, I also think that you are quite useless now. However, should we talk about the breakup fee? You kissed me, touched me, and left just like that?"
