

## The Yun Family's Ninth Child is an Imp! Chapter 1924

After a long while, there was still no movement from the sound transmission talisman. Yun Chujiu's anger immediately flared up. Damn it, pretty boy, you're good. If you have the ability, then don't let me catch you!

Break up with me? I think you want to fly up to the sky and stand shoulder to shoulder with the sun. I think you want to go into the deep sea and have a mouth-to-mouth conversation with that B \* Stard!

Pui! No, he can only have a mouth to mouth with me!

Xiao Heiniaio asked weakly, "Master, you, why aren't you sad? Generally speaking, shouldn't a girl be heartbroken after being broken up?"

"Heartbroken my ass! This gigolo needs to be taught a lesson! Either he was forced to, or he has some incurable disease, or he has some difficulties. Otherwise, he wouldn't break up with me!"

Xiao Heiniaio stared at him with his pea-sized eyes and was even more puzzled. "Master, why do you say that? Is it possible that he has changed his heart? Has he fallen in love with another girl?"

"TSK! That's impossible! I'm not bragging, master. The gigolo is completely loyal to me! Unless there's some force majeure, he would only do something stupid. Otherwise, would he dare to say that? Besides, where would he find such a gorgeous, smart, and beautiful woman like master ? !"Yun chujiu pouted and said.

Xiao Heiniao, silent.

Xiao Heiniao took a long time to put his shattered worldview back together. He asked curiously, "Master, what are you going to do next?"

"Humph!"! The gigolo must have reached the immortal Yuan continent. Otherwise, the sound transmission talisman would not work. Naturally, I have to meet him. I want to see what this idiot is up to."Yun Chujiu said angrily.

It would be a lie to say that she was not sad. However, this guy's mental endurance was not something ordinary people could compare to. What was the use of being sad? ! The gigolo would die for her. How could he break up with her for no reason? ! There must be a problem!

What was there to be afraid of if there was a problem? ! Just solve the problem. However, the gigolo liked to be stubborn. He had to think of a way to force him to come out and meet her.

Yun chujiu rolled her eyes and sent a voice transmission talisman to an feng, "Little Lunatic, did you follow your exalted Lord to the Immortal Yuan Continent?"

Yun Chujiu was simply a blind cat trying to kill a mouse, but she had scared an Feng on the other side!

An Feng carefully glanced at di beiming beside him. After feeling an even colder air than before, he couldn't help but shiver.

Oh My God! Although His Majesty was originally arrogant, he was still a little popular. Now, he was like an ice sculpture, scaring people to death!

An feng carefully said, "Your... Your Majesty, the ninth miss has sent a voice transmission talisman to me. Can I see it?"

Di beiming frowned and clenched his hands tightly, not saying a word.

An Feng saw that di beiming didn't say anything and didn't dare to move. He couldn't help but wail in his heart, "Oh my God!! Oh My God!! What is wrong with You, my Lord? ? ! The ninth miss is in the Mo residence in front, why didn't you go in to take a look ? ! Could it be that you are here to look for your wife?"

"You stay behind to protect her in the dark. If she is injured, you have no value to live." Di beiming said coldly and turned to leave.

“Your Excellency, then, where are you going?”

“I am going where I should go. Don’t let her find you and don’t tell her anything about me.” Di Beiming’s eyes flashed with pain. It disappeared in an instant and returned to a cold and solemn look.
