

The Yun Family's Ninth Child is an Imp! Chapter 1929

Di beiming gritted his teeth. "Alright! If you really do it three years later, and I'm still alive, I'll do as you say. I Won't go back on my words!"

Di beiming kissed Yun chujiu on the forehead, got up and got off the bed. He had a thousand words in his mind, but he did not know what to say. In the end, he only said two words, "Take care!"

Di beiming was about to leave, yun chujiu shouted, "You can't leave like this. Other People's doors are fine, but mine is broken. How can I explain tomorrow? Don't you have the strength and nowhere to use it? Go and smash a few more doors."

This guy did not want to admit it. She just wanted to torture di beiming.

Di beiming nodded. Just as he was about to leave, yun chujiu spoke again, "Untie my shackles. Otherwise, what if there are bad people after you leave?"

"Don't worry, I will untie you in less than 15 minutes."The reason why di beiming imprisoned Yun Chujiu was that he was afraid that she would cause trouble again. At that time, he would not be able to harden his heart and leave.

"Alright, since that's the case, you can leave now. However, you have to remember that you have to protect your little life well. Because your life is not only yours, but also mine, Yun Chujiu's! If you die, I will immediately cuckold you!"

“You Dare? !”Di beiming gnashed his teeth and glared at Yun Chujiu.

“What’s there to be afraid of? ! Since you’re already dead, can you still turn into a corpse? !”Yun chujiu pouted and said, in her heart, this gigolo really did not mean what he said. On one hand, he asked her to marry someone else, and on the other hand, he was jealous. He was simply a lunatic!

“Don’t worry, I Won’t Die! You, on the other hand, are lazy and gluttonous, have low spiritual power, and have a temperamental personality that likes to cause trouble. Don’t flaunt your little life away.”

“HMPH, that’s because I’m not serious. If I’m serious, even I’m afraid of myself! Maybe in less than three years, I’ll become very awesome! “Alright, go and knock on the door. Otherwise, I’ll think that you can’t bear to part with me.”Yun chujiu sniffed and said.

Di beiming nodded and left the house.

When he reached the courtyard, di beiming closed his eyes and clenched his fists tightly under his sleeves. He was silent for a long time.

When di beiming opened his eyes again, they were filled with a murderous aura. With a flash, a few afterimages flashed past and the doors of the courtyard were shattered.

Not only that, half of the doors of the Mo residence were shattered into pieces. For a moment, the Mo residence was in a mess.

An Feng was waiting outside the Mo residence. When he heard the commotion inside, he could not help but feel puzzled. With the supreme's current spiritual power, it was impossible for him to be discovered. How did he cause such a huge commotion?

Just as an Feng was feeling puzzled, di beiming appeared in front of him. An Feng could not help but curse in his heart. The supreme's spiritual power was simply inhuman. Why was there no sound at all? !

"Protect her well. If there is anything that can not be resolved, send a message to me."

"Yes! Your Majesty!"

Just as an Feng finished speaking, di beiming disappeared without a trace.

An Feng touched his chin. His Majesty's Lips seemed to be torn and somewhat swollen. Could it be that he was bitten by the ninth miss? TSK TSK, the ninth miss was really fierce!

A tsundere like His Majesty should let the ninth miss deal with him!

He did not know how their conversation went, but since they had kissed, they should have made up, right?

What exactly did his majesty go to do?

An Feng was alone in the wind for a while before he left.
