

The Yun Family's Ninth Child is an Imp! Chapter 1930

At this moment, the Mo residence was in a mess.

What a joke, the door had been smashed to pieces, it was impossible not to be in a mess!

After Yun chujiu could move, she blinked her eyes. Damn it, I'm not in a good mood today, don't you all stop!

"Help! Help! It's so scary! It's so scary!"

Yun chujiu shouted a few times. When she realized that no one was moving, she couldn't help but slap her thigh. The gigolo must have knocked the three of them out. But that was also true. Otherwise, they would have woken up long ago.

After Yun Chujiu woke up Qing Zhi and Qing Liu, she went into Mo Fangqin's room and found that Mo Fangqin was also unconscious.

Of course, she wouldn't remind Mo fangqin that she was knocked out. Instead, she said with disdain, "Third sister, you're sleeping too hard! Our door was smashed, but you can still fall asleep!"

Mo Fangqin's face was full of confusion. When she raised her head, she indeed found that the door had shattered into pieces. "Big sister, what... What's going on?"

"How would I know? ! Come, let's go to grandmother's place to get a good impression of her!"

Mo Fangqin was now Yun Chujiu's little fan. She put on her coat and followed Yun chujiu out of Tinghe Xuan.

The two of them ran all the way to old madam Liu's courtyard.

"Grandmother, grandmother, are you okay? I was so worried!" Yun chujiu hugged old madam Liu and said with a sobbing voice.

Old Madam Liu was stunned by Yun Chujiu's Big Bear Hug. However, when she saw Yun Chujiu's red and swollen eyes, she could not help but feel a little touched. This little girl seemed to be really worried, otherwise, her eyes would not be so red and swollen.

Old Madam Liu comforted the two of them as she raised Yun Chujiu's status to a whole new level.

Seeing the change in old madam Liu's expression, Yun chujie couldn't help but give herself 32 likes in her heart. Not only did she hide her red and swollen eyes, she also increased her favorability towards Yun Chujie. It was like killing two birds with one stone.

Mo fangqin pursed her lips. This Woman's eyes were already red and swollen. No one would believe that she was worried about her grandmother!

Mo xiaoting led his men to inspect the place. Apart from the fact that more than half of the doors in the Mo residence had been smashed to pieces, they did not find anything out of the ordinary or missing.

How Strange!

What kind of person was so bored that he smashed all the doors in the Mo residence in the middle of the night?

Could it be a warning?

That's not right. If it was a warning, why didn't he just smash all the doors in the Mo residence to pieces? Why did he have to go through so much effort to smash so many doors?

Mo Peng's and Mo Chang's mansions were only separated by a wall from the Mo Residence's old mansion. Mo Cheng had stayed at Mo Peng's mansion that night, so when he heard the commotion, he had all rushed over.

After discussing it over and over again, everyone was still confused. They had heard of people who killed people, and they had heard of people who stole things. However, this was the first time they had just come to smash a door into pieces. What was the meaning of this person?

The next day, at dawn, the area outside the Mo residence was in chaos again!

Because, someone noticed that a large chunk of the flagstones on the ground had been shattered!

Although this wasn't a big deal if it was an attack with spiritual energy, the fact that no one noticed any traces of spiritual energy was a little unusual.

Mo Xiaoting was already suspicious, so he couldn't help but feel even more worried. Could this be a warning from some almighty to the Mo Family? But, the Mo family had not provoked anyone!

Mo Xiaoting asked his three sons for their opinions, so they were naturally dumbfounded.

"Trash! All of you are useless! How can I trust you with the Mo Family?!" Mo Xiaoting scolded angrily.
