

The Yun Family's Ninth Child is an Imp! Chapter 1932

As soon as Yun Chujiu heard that she was about to eat the crimson cloud fruit, her smile grew brighter, "Thank you, grandfather! Actually, I came here to tell you my opinion."

Before Mo Xiaoting could say anything, Mo Cheng yelled, "What do you know? ! Get out of Here!"

Yun chujiu was so frightened that she shrunk her neck and looked at Mo xiaoting timidly.

"Bastard! Are you the one in charge here or am I?" Mo Xiaoting Glared at Mo Cheng.

Mo Cheng gritted his teeth and did not say a word. In his heart, he was complaining that his father was too old and muddle-headed! How could a little girl have any opinions? !

"Fang Cao, speak. Don't worry, grandfather will make the decision for you. No one will dare to Touch You," Mo Xiaoting warned as he glanced at Mo Peng and the other two.

Mo Peng and Mo Chang's intestines were about to turn green with regret. If they had known that this little brat would be doted on by the old man, they would never have brought her here. It was like throwing a rock at their own feet! If things continued to develop like this, their second brother's plans would probably be ruined. The old man would never allow him to do that.

However, she was just a little brat from a low-class society. What could she possibly do? How could she have a good opinion about what happened last night? Forget it! It was likely that she would come up with a very childish opinion.

“Grandfather, do you think it’s a bad thing that our door was broken into? Maybe someone warned us?” Yun chujiu did not say what she thought. Instead, she asked Mo Xiaoting.

Mo xiaoting nodded, “That’s right. I do think so. Isn’t that right?”

“Grandfather, I think the opposite of what you think. I think this is a good thing, and a huge one at that!” Yun Chujiu said firmly.

Mo Cheng couldn’t help but snort, “Nonsense! Father, she’s just a little girl, how can she have any good ideas? ! Just let her out of Here!”

“Shut up! You’re a good-for-nothing yourself. Do you think everyone else is as good-for-nothing as you? ! Fangcao, ignore him and continue,” Mo Xiaoting looked at Yun Chujiu encouragingly.

“Grandfather, think about it. If the person had bad intentions, why would they go through so much trouble to smash through only a dozen doors? ! If it was a warning, wouldn’t it be more effective to smash through the doors of the Mo Residence?”

Yun chujia paused for a moment and secretly observed Mo Xiaoting's expression, she then continued, "I think the person is either playing a harmless joke on us. As you know, all the experts in the outside world have their quirks. Perhaps, this person likes to knock on other people's doors for fun.". Of course, it was also possible that he was trying to give us some pointers."

Mo Cheng opened his mouth in an attempt to mock mo xiaoting, but he was afraid that Mo Xiaoting would scold him. So, he swallowed his words and scoffed in his heart. What nonsense!

"Fang Cao, you said that this quirk is possible. Then, what do you mean by giving us pointers? What is the expert trying to give us?" Mo Xiaoting asked in confusion.

"Grandfather, the Mo family originally came from the East Continent. I think the expert wants us to return to our family. Aren't we trapped inside a house right now? Although it's peaceful, we can't see the exciting world outside!

Only by opening the door can we have more room for development! To take a step back, grandfather, none of us have seen how the door broke. Could it be that it wasn't man-made, but God's will? "
