

The Yun Family's Ninth Child is an Imp! Chapter 1935

Madam Luo waited for old lady Liu to finish scolding her before saying, "Mother, my daughter-in-law was blinded by lard a few days ago, so she said some things that she shouldn't have said. Sir, please forgive your daughter-in-law and forgive her."

"Humph! Your words are better than your singing. If you were half as filial as that fangcao girl, I would be Amitabha!" Old Lady Liu said with a cold humph.

The grievance in Madam Luo's heart could be imagined. She gritted her teeth and said, "You're right. Daughter-in-law, you must correct yourself in the future."

Old Madam Liu reprimanded Madam Luo for a while more before letting her go.

Madam Luo brought Mo Fanghua to Mo Junchen's courtyard, mo Junchen saw Madam Luo and wailed loudly, "Mother! You must help me get revenge! That Little B * Tch made me suffer so much! I don't know what kind of bewitching potion she gave my grandmother, but she actually defended her and said that she was right to teach me a lesson. I'm so angry!"

Mrs. Luo was so angry that she gritted her teeth. The old and new grudges were all gathered together. "Junchen, don't worry. Mother will definitely help you get revenge. You just need to recuperate well."

After Mrs. Luo returned to the courtyard assigned to her, she could not help but throw a tantrum.

“That old fart is simply too much of a bully! This is definitely all the work of that country bumpkin!”

“Mother, are we just going to let it go like this? How can that country bumpkin make grandfather and grandmother protect her? Mother, you shouldn’t have brought her back in the first place.” Mo Fanghua had never been so cowardly before, if it wasn’t for Madam Luo stopping them, they would have wanted to kill Yun chujie to vent their anger.

When Madam Luo heard Mo Fanghua’s words, her heart was moved. “Fanghua, you go back to your room to rest first. I’ll go and discuss something with your father.”

After Mo Fanghua left, Madam Luo came to the study in the courtyard.

When Madam Luo saw Mo Cheng, she naturally complained. Mo Cheng gritted his teeth and said, “You’re right. This definitely has something to do with that rebellious daughter. She’s really a troublemaker!”

“Husband, this child Fangcao is really too calculative. Moreover, father and mother are spoiling her more and more. If we don’t make a decision quickly, I’m afraid that things will change when the time comes!”

Mo Cheng nodded. "You're right. There's no time to lose. get father-in-law to immediately contact that side and then get someone from that side to send over the betrothal. We'll settle the marriage. Hurry up and get this loser out of the family. Whether he lives or dies has nothing to do with us."

"Husband, what if father and mother object?"

"HMPH! They won't. At most, they will give father a portion of the promised benefits. Don't worry, I have a way to convince Father," Mo Cheng's eyes flashed with malice, this wretched girl was the same as that B * TCH. They both deserved to die!

On the other side, Yun Chujiu and Mo Fangqin had just returned from Mo Xiaoting's study room to Tinghe Xuan. Their eyes flashed, "Third sister, I heard that Luo Shi is back. Hurry and go to Aunty Qiu's place to raise morale."

Mo fangqin nodded and left the courtyard.

After Yun Chujiu returned to her room, she moved the desk away and dug out the square bricks from underneath. Xiao Hei jumped out from within.

"Master! Your black-hearted father said that he wants to arrange a marriage for you. You should think of a way quickly! From what he said, the other side will come to give the betrothal gifts soon." Xiao Hei said anxiously.

“Arrange a marriage? They want to arrange a marriage for me just because they brought me back? Did he say who the other party is?” Yun chujia frowned and was not too surprised.
