

The Yun Family's Ninth Child is an Imp! Chapter 1937

The next morning, Yun Chujiu and Mo Fangqin arrived at Mo Xiaoting's study room.

Mo Xiaoting's expression did not look too good. It was as if he had encountered something troublesome. Yun chujiu tactfully did not annoy him. Instead, she sat quietly at the side and read a book.

Yun Chujiu's mind was naturally not on the book. After a long time without turning the page, the corners of his mouth suddenly curled up and his eyes sparkled.

Mo fangqin, who was standing beside him, couldn't help but wonder, what was this black-hearted country bumpkin thinking?

After a while, Mo Peng and Mo Chang came in with their heads lowered.

Mo xiaoting saw the two men's anger and was furious, "Useless people! How did I, Mo Xiaoting, raise two useless people like you? !"

"Father, please calm down. It was only because we were careless that we fell into the trap. We will be careful in the future," Mo Peng said with a red face.

“Humph! You sure made it sound easy. If you were careless, you would have lost hundreds of millions of high-grade spirit stones. With the speed at which you squandered, the Mo family would be completely wiped out in less than three years!

You promised me that you would be able to take care of things on your own. The first thing I asked you to do, you ruined it for me., how could I trust you with the Mo Family?” Mo Xiaoting pointed at Mo Peng and Mo Chang’s noses and cursed. He was obviously extremely angry.

Mo Chang was being scolded so badly that he couldn’t keep his face, he tried to defend himself, “Father, you can’t put all the blame on me and brother-in-law. It’s all because of second brother’s brother-in-law. Otherwise, how could we trust him so easily? ! If I were to say this, it’s possible that second brother and his brother-in-law teamed up to set the Mo family up!”

Clang!

Mo Xiaoting smashed the Teacup on the table onto the floor, “Idiots!”! How can you be so gullible? You know that the Mo family has been suppressing the Luo family for a long time and they are already unhappy. Yet, you still let the Luo family lead the way for you. are your heads made of paper? !”

Mo Chang said unhappily, “Father, we accept everything you’ve said! But, are we just going to let second brother Get Away with this?”

“HMPH! He doesn’t have the guts. That idiot must have been used by someone! Someone, get Second Brother Here!” Mo Xiaoting’s head was buzzing! Whether it was his son or grandson, there was no one capable. Who Would he leave the Mo family to in the future? !

Mo fangqin tried her best to Signal Yun chujiu with her eyes. Her eyes were about to cramp up. What did she mean? They were already like this, why weren’t they taking their leave? This was too indiscernible!

Yun chujiu acted as if she hadn’t seen anything as she calmly continued to read her book. Unfortunately, she did not turn the page for a long time. It was obvious that the drunkard’s intention was not in the wine.

Mo xiaoting was so angry that he was about to faint. Naturally, he could not remember to chase them out. As for Mo Peng and Mo Chang, they had the intention of letting the two of them leave, but they were afraid that they would be scolded if they said anything, so they did not dare to say anything.

Mo Cheng and Luo Shi had a rough night last night. They yawned sleepily as they walked in, “Father, you were looking for me?”

Mo Xiaoting was furious when he saw Mo Cheng’s expression, “You useless thing! What time is it? ! Tell me, did you know about the plain brocade?”

Mo Cheng was confused, “Plain brocade? What’s wrong with plain brocade? Didn’t Big Brother and third brother just bring in a large batch of plain brocade? It was my brother-in-law who arranged it.”

Mo Chang immediately said, "Second brother, what are you pretending for? ! Did you and your brother-in-law make a trap just to trick me and Big Brother? !"
