

## The Yun Family's Ninth Child is an Imp! Chapter 1940

Mo Xiaoting did not expect Yun Chujiu to actually agree. He couldn't help but sigh in his heart. If his three sons were so brave, they could have been taught slowly even if they were a little slow. Unfortunately, they were all useless.

"Tell me, does your father know anything about this? What role does he play?"

Yun Chujiu said with a smile, "Grandfather, since you've asked, I can only speak my opinion. I think that Father didn't know about it before, but after the incident, second aunt should have told him some things and then gave him such an idea.

As for my father, he must have thought that since the incident had already happened, there was nothing to be done about his resentment towards the Luo family. He might as well take this opportunity to show off in front of you.

Second aunt must have told him that this was a great opportunity to kill two birds with one stone. You must have been very disappointed with first uncle and third uncle. With my father's performance, you must have been very fond of him and might have decided to pass on the position of clan head to him, therefore, my father had come to show off in a silly manner.

Of course, the biggest beneficiary of this matter would definitely be the Luo clan. The businessman was most likely in cahoots with the Luo family. Not only did he successfully sell the defective goods, he also suggested a way for the Luo family to go to extreme desert city. The Luo family would definitely take this opportunity to make another profit, they might even come up with some harsh conditions to threaten the MO family."

“What you said makes sense. But, what do you think I should do when your father returns?” Mo Xiaoting looked at Yun Chujiu as she spoke with confidence. He felt even more regretful that she was a granddaughter. If she was a grandson., the Mo family would definitely shine.

“Grandfather, we can’t let an ingrate like the Luo family get away with this!” “Let’s delay him. We won’t say yes or No. Let them lower their guard so we can take action.”. “I Promise You, as long as you trust me enough, after I deal with this batch of plain brocade, I will definitely think of a way to bankrupt the Luo family and let others see the consequences of provoking the Mo family!” Yun Chujiu said confidently.

Mo Xiaoting was overwhelmed by the scene described by Yun Chujiu. This granddaughter of his was indeed not simple. Not only was she intelligent, she was also bold and domineering. Only someone like her could become a qualified family head.

Mo Xiaoting subconsciously tapped his finger on the desk and remained silent for a while, he gritted his teeth, “Fangcao, as long as you can do what you say, grandfather will give you a chance to become a family head like your uncle.”

“Grandfather, this is the best decision you’ve made! Give me a chance and not only will I return the Mo family to you, I will also lead them back to the eastern continent!” Yun Chujiu said proudly.

“Fang Cao, everyone knows how to talk big. You should settle the plain brocade issue first.” Although Mo Xiaoting’s blood was boiling due to Yun Chujiu’s words, he still poured cold water on her.

“Grandfather, don’t worry. I Promise I’ll do it beautifully. However, I need to have some funds to start the work. Do you want to give me some spirit stones first?”Yun Chujiu said with a cheeky smile.

“How much do you need?”

“Not too much. Just give me 20 million high-grade spirit stones first!”

“What? ! How much did you say?”Mo xiaoting thought he had heard wrong.

“20 million, don’t you think that’s a bit low? Don’t worry, I can do great things with a small amount of money. But, if you want to give me more, I won’t object,”Yun Chujiu said with a smile.
