

## The Yun Family's Ninth Child is an Imp! Chapter 1941

"Nonsense! Why do you need so many spiritual stones?" Mo Xiaoting thought he must have been too anxious to believe that a little girl like her would have a solution to the problem.

"Grandfather, so you think I'm asking for too much!"! Didn't you know that 20 million wasn't a lot for a small amount of money. Don't worry, your 20 million is just bait. In the future, I will return you a lot of big fish," Yun Chujiu said confidently.

Mo Xiaoting was silent for a moment before he gritted his teeth and handed Yun Chujiu 20 million high-grade spirit stones, "Fang Cao, I'm warning you. If you waste your money, I will not forgive you."

"Grandfather, don't Worry!"! "I guarantee that it will be fine. Give me a few trustworthy people. I think the guards in your study room are not bad. Give them to me and then give me a shrewd shopkeeper. You Don't need to worry about the rest."

Mo Xiaoting was so angry that his nose almost went crooked. It turned out that this little girl was worried about his guards. She was quite shrewd. These guards had the highest spiritual energy in the Mo residence and were also the most reliable.

Mo Xiaoting had no choice but to pull the trigger. He could only grit his teeth and call in a guard, "Hei Shi, you and your men will temporarily listen to Fang Cao's arrangements. Her orders are equivalent to mine. Don't make any mistakes, okay?"

Hei Shi was dumbfounded. What did they do wrong? How did they go from being the master's Guard to being Miss Fang Cao's guard?

But, he did not dare to disobey Mo Xiaoting's orders. So, he simply agreed and left.

"Fang Cao, you can't leave this matter open-ended. Give me a definite answer. How long will it take for you to sell these plain brocade?" Mo Xiaoting had invested a lot in this matter. Of course, he had to get to the bottom of it.

Yun chujiu thought for a moment, "At most half a month, at least 10 days. I will definitely make you back what you owe me with interest.". During this time, on one hand, you will drag the Luo family down. On the other hand, you will think of a way to get my father and second aunt out of Feng Li City so that they don't ruin my plans. Also, you should warn first uncle and third uncle not to cause any trouble for me."

Mo Xiaoting did not get impatient after hearing Yun Chujiu's words. On the contrary, he felt a little more confident in her. The fact that she could think of all this meant that this little girl was quite capable. He wanted to see what she was going to do.

The two of them continued to chat about the details before Yun chujiu led the dumbfounded mo fangqin out of Tinghe Xuan.

“Hei Shi, the few of you came to see me in the middle of the night without anyone noticing. If anyone finds out, I will make you pretend to be beggars!” Yun chujju whispered to Hei Shi.

Hei Shi nodded in a daze. He had a bad premonition in his heart. He was afraid that the following days would be more exciting than he could imagine!

When they returned to He Xuan, Mo fangqin said anxiously, “Big Sister, why are you doing this job for no reason? ! It’s not easy for grandfather and grandmother to treat us better. If you don’t do well, you will be even more disliked than before.”

Yun chujju sighed faintly, “Third sister, I am now sailing against the current. If I don’t advance, I will fall back!” You also know that Father and second aunt did not have good intentions when they brought me back. Do you think grandfather will speak up for me when the time comes? If I don’t climb up as soon as possible, I will only be at the mercy of others.”

Mo Fangqin was silent. She knew that what Yun Chujju said was the truth. The Mo family were all cold-blooded and heartless. There was nothing that they could not sell for profit.

“Big Sister, what do you plan to do? That plain brocade is a batch of defective goods. Not to mention selling it at a high price, even if it is sold at a low price, there might not be anyone who will buy it.” Mo fangqin asked in confusion.

“Third sister, this batch of plain brocade is a defective product in the hands of others. When it comes to me, it will be a good thing that everyone will fight over. You just wait and see a Good Show!”

The corners of Yun Chujiu's lips curled up, and a bright light flashed in her eyes. A business genius was about to appear out of nowhere! Tremble, scum!
