

The Yun Family's Ninth Child is an Imp! Chapter 1949

In the blink of an eye, another three days had passed and there was still nothing out of the ordinary.

However, the second elder of the Zhao family was getting impatient. So, he directly said that if mo xiaoting did not give him an accurate answer, he would have to return home.

Mo Xiaoting had no choice but to find an excuse to delay mo xiaoting. He promised that he would give mo xiaoting an answer after three days.

“Fangcao, it’s not that grandfather is a man of his word. The Zhao family is really pushing you too hard. Grandfather can only give you three more days,” Mo Xiaoting said helplessly.

Yun chujiu couldn’t help but sneer in her heart. The half a month she had promised was now reduced to ten days. How cold-blooded!

But, of course, she wouldn’t say it out loud. Instead, she said obediently, “Grandfather, I understand your difficulties. Don’t worry, I will definitely do it within three days.”

Mo xiaoting saw how tactful Yun Chujiu was, he felt a little guilty, “Fangcao, it’s good that you don’t blame grandfather. Grandfather has promised you that as long as you can resolve the plain brocade issue, grandfather will definitely reject the marriage of the Zhao family.”

Yun chujiu couldn't help but laugh at herself. At least she had managed to get something out of it.

That night, Hei Shi and the others sneakily came to see Yun Chujiu.

"Miss Fang Cao, we have completed the task you asked us to do. Here are the remaining spirit stones."

Yun chujiu nodded in satisfaction. "Each of you will leave fifty thousand spirit stones as a reward!"

Hei Shi and the others could not believe their ears. Heavens, this Miss Fang Cao was too, too generous! ! She actually rewarded them so much? !

Hei Shi and the others declined for a while, but in the end, they still kept the spirit stones. After this incident, Yun Chujiu's glittering image had taken root in their hearts.

After Yun Chujiu inquired, she let the others go back first, leaving Hei Shi behind.

Hei Shi saw that Yun chujiu only stared at him without saying anything, and he could not help but feel a little scared. "Miss Fang Cao, what, what are your orders?"

“Hei Shi, what do you think of Me?”

Hei Shi was scared silly!

Damn, this Miss Fangcao couldn't have taken a fancy to him, right? !

Hei Shi's face flushed red. “Miss Fangcao, this, this isn't appropriate. You, you better stop talking.”

Yun Chujiu was stunned at first, and then she laughed out loud. “You're thinking too much! I'm asking you what do you think of me as your master?”

Hei Shi wished that he could find a hole to hide in. After a long time, he squeezed out a sentence, “Of course you're a good master, you're generous.”

“Then I'll ask you to come over from grandfather, what do you think?”? “You don't have to rush to give me an answer, go back and think about it before you give me an answer. “If you stay in the Mo family, at most you'll be able to become a guard commander. But if you follow me, I guarantee that I'll let you see the wider world, and walk to a height that you can't imagine.”

Hei Shi felt that his brain was not enough. This wave after wave of impact was too unexpected!

“Now, go and find shopkeeper Guo and give him this letter. Ask him to do as he says.” Yun Chujiu took out a written letter and handed it to Hei Shi. Of course, this letter was written by Mo Fangqin.

Hei Shi nodded and took the letter out of the manor to find shopkeeper Guo.

Shopkeeper Guo, who was sleeping, was startled awake again. After reading the letter, he could not fall asleep! Is this miss Fangcao sick? What kind of monster is this?

Forget it! Anyway, he is the master. Just do as she says.

The next day, the entire Feng Li city was shocked!

“Hey, have you heard? The Brocade House has launched a dress called Heaven, earth, mountains, rivers, and moonlight. A set actually costs 200,000 high-grade spirit stones. It’s simply a sky-high price!”

“That’s right. Normally, a top-grade dress is only around 150,000. What right does he have to sell it at such an expensive price! is he crazy about making money? !”
