

The Yun Family's Ninth Child is an Imp! Chapter 195

Feng Ming was dumbfounded!

What was going on? What on Earth happened?

Before he left, those Mighty Elephants wanted to eat Junior Sister Jiu. How did they get along with each other in such a short time?

How did Junior Sister Jiu do it?

“That Yun Chujiu is also a Beast Tamer?” Manager Zhou was also confused and asked Feng Ming.

Feng Ming shook his head. “Little Ninth Junior Sister can’t cultivate. She doesn’t have any spiritual power!”

“That’s strange. Even if Old Zhu and I used the Beast Tamer Ring to control her, these Mighty Elephants would be very irritable. Why are they so docile now?” Zhou muttered to himself.

Before Manager Zhou finished his words, many people came to his side.

“Greetings, sect master! Greetings to all the peak masters and elders!” The surrounding people bowed and greeted him.

Master Xuanyuan frowned and waved his hand. “Yun Chujiu fell down? Why aren’t you saving her? What are you waiting for?!”

No one expected that this matter would alarm the sect master, the peak master, and so many elders.

Although disciples were in danger and the higher-ups would pay attention to them, there would not be so many people attending to it, right? Master Xuanyuan and the five peak masters had actually come!

Could it be that Su Yun or Yun Chujiu had a background?

It did not seem like it. Su Yun was just an ordinary outer sect disciple, what was more Yun Chujiu. She was just a measly servant.

It must be because of Senior Brother Feng Ming!

Senior Brother Feng Ming must be the true disciple of Middle Peak. It must have been Senior Brother Feng Ming who invited those people there. Senior Brother Feng Ming really treated Yun Chujiu very well!

Manager Zhou hurriedly came over to explain, "Reporting to sect master, Old Zhu and I also just arrived. We originally wanted to go down and save them, but this situation seems to be a little special..."

Manager Zhou pointed below. Master Xuanyuan and the elders looked in the direction that Manager Zhou pointed.

Then, everyone was in chaos!

What was going on? Did they not say that Mighty Elephants were extremely ferocious? Why did those behemoths look as docile as puppies in front of Yun Chujiu?

Yun Chujiu also glanced at Master Xuanyuan and the others. She cursed in her heart, 'F*ck! My saliva is about to dry, and you guys are still not coming down?! Isn't it too much to just watch?! This is too much!'

Yun Chujiu changed the topic and pointed at the top. She said to the elephants, “Look up, there are so many experts here. Who would believe that this isn’t a trap?! The person who fed you wants to use your claws to kill me, and then kill you all at the same time. What a vicious heart!”

Although the elephants did not know the peak master of the sect, they could feel the level of their spiritual power. They believed Yun Chujiu’s words without a doubt. They were glad that they did not fall for their trick, or else none of them would have survived.

Master Xuanyuan and the others had high spiritual power. Although Yun Chujiu’s voice was not loud, they could still hear her clearly. The corners of their eyes twitched, and their hearts felt like thousands of divine beasts whizzing past!

Master Xuanyuan coughed dryly. “Open the formation. Elder Qu, Elder Xiao, you two go down and bring Yun Chujiu and that disciple up.”

Manager Zhou and Manager Zhu opened the formation, and Elder Qu and Elder Xiao jumped to the bottom of the pit.

Those Mighty Elephants saw that Elder Qu and Elder Xiao had profound spiritual power, and there were so many experts above them. They naturally would not provoke them and let them save Yun Chujiu and Su Yun.

Yun Chujiu was still shouting in the air, “Remember my words. Cultivate well. I will come to see you...”

The Mighty Elephants howled a few times in response to Yun Chujiu.
