

## The Yun Family's Ninth Child is an Imp! Chapter 1950

A lot of people quickly gathered at Jinxiu village. They were all here to watch the show, pointing and pointing at the "Heaven, earth, mountains, rivers, and moonlight skirt" hanging on the wall.

"This heaven, earth, mountains, rivers, and moonlight skirt style is quite novel. This material seems to be plain brocade, but why are there patterns of different depths on it?"

"Shh! I heard that this plain brocade seems to be a defective product that has not been dyed evenly!"

"What? Defective product? It's a defective product, but it's still sold at a high price. Isn't this brocade house too much of a scam?!"

..

Shopkeeper Guo's chubby forehead was covered in sweat. He had rejected this matter in his heart, but Yun Chujiu's letter had arranged it this way.

"Shopkeeper, is your heaven, earth, mountains, rivers, and moonlight skirt really two hundred thousand per set?" Someone asked loudly.

Shopkeeper Guo thought of Yun Chujiu's instructions, he pretended to be arrogant and said, "That's right! The Heaven, earth, mountains, rivers, and moonlight skirt is made with complicated workmanship. Each skirt is unique, so the stock is limited. If you want to buy it, you can only pay ten thousand spirit stones to reserve it first. The quantity is limited. First Come, first served!"

What the hell was that?

He had to pay to reserve it?

Was this shopkeeper Guo's head stuck in the door? !

It would be strange if someone bought this piece of trash!

The news quickly reached the ears of everyone in the Mo residence. Mo Peng and Mo Chang naturally gloated over Yun Chujiu's misfortune.

They knew that this was Yun Chujiu's idea. They thought to themselves, "This lass looks smart, but she's actually still young. Isn't she just fooling around? !"! What kind of fool would spend 200,000 spiritual stones on a defective product? !

Although Mo Cheng and Luo Shi did not know that this was Yun Chujiu's idea, they still scoffed at it. They thought it was Mo Peng and Mo Chang's idea, so they laughed at it, thinking that it was a joke.

After hearing about it, Mo Xiaoting could not help but feel a little disappointed. It seemed that he had overestimated the Fang Cao Girl. This idea was simply stupid. Did you think that just because you gave her a big name, she would say that there was a limit to the number of products., ... someone would buy it at a high price? How childish!

It seemed like he should talk to second elder Zhao about the marriage. The Zhao family's offer was more realistic. Perhaps, with the money from selling talismans, he would be able to open up a path back to the eastern continent.

In the blink of an eye, another two days passed. The number of people gathered outside the entrance of Jin Xiu village was decreasing. They were all laughing at the fact that Jin Xiu village and the Mo family were crazy about earning money. Only a fool would buy these tattered clothes!

The next day was the deadline Mo Xiaoting had given Yun Chujiu. In the morning, Yun Chujiu went to Mo Xiaoting's study room as usual to read.

Mo Xiaoting couldn't help but sigh. It had to be said that this Fang Cao girl was really calm. Even at this time, she still did not panic. If it wasn't for the fact that the Zhao family was too generous, it would have been nice to nurture this little girl.

Mo Xiaoting was deep in thought when he heard Yun Chujiu say, "Grandfather, today is the last day. How about you accompany me and Fangqin for a walk?"

In the past, not only would Mo Xiaoting not agree, he would even yell at her. But now, he felt a little guilty, so, he said, "Alright! Since there's nothing much to do today, I'll bring the two of you out for a walk."

Yun Chujiu thanked her happily and led Mo Fangqin out of the Mo Residence with Mo Xiaoting.

"Grandfather, let's go sit down with the welcoming immortal. Let's go have some tea and listen to some music," Yun Chujiu said with a smile.

Mo Xiaoting did not want to wander the streets, so he agreed without hesitation. The group went to the second floor of the welcoming immortal and drank tea and listened to music.
