

The Yun Family's Ninth Child is an Imp! Chapter 1953

Just as the melon-eating masses were feeling suspicious, they heard someone exclaim, "Look! Those two girls are also wearing heaven, earth, mountains, rivers, and moonlight dresses!"

Everyone looked in the direction that person was pointing at, and sure enough, two more girls wearing heaven, earth, mountains, rivers, and moonlight dresses walked over. One of them was wearing a fiery red dress, while the other was wearing a aqua pink dress.

The two young girls in the Brocade village also saw it, and the pale yellow young girl's expression changed. "Oh no, why are they here? Shopkeeper, ten sets, then ten sets. Order one set for me in one color, hurry up!"

Shopkeeper Guo had someone collect the spirit stones and give them a certificate, then said, "In half a month, the two young girls can have someone bring the certificate over to take the ready-made clothes."

The two girls nodded. At this time, the other two girls also walked in.

The four of them obviously knew each other. The Girl in light yellow clothes curled her lips. "I didn't expect you to be so well-informed. You followed us as soon as we arrived!"

The girl in fiery red clothes snorted coldly. "Su Xing, this satin shop isn't owned by your family. What's wrong with US coming? Shopkeeper, how much is this heaven, earth, mountains, rivers, and moonlight skirt?"

"Two hundred thousand upper-grade spirit stones." Shopkeeper Guo was in a state of confusion as to who he was and what he was doing.

If he didn't know that this was a genuine defective product, he would have thought that this heaven, earth, mountains, rivers, and moon dress was some amazing high-grade clothes!

"Two hundred thousand? That's so cheap! Give me fifty sets!"

"I want 50 sets too!" The Girl in the pink dress hurriedly said.

Shopkeeper Guo swallowed his saliva. He finally managed to restrain the primal power in his body, with a stiff face, he said, "I'm really sorry. This model of clothes only accepts pre-orders, and each person can only buy 10 sets. If you want to order, please pay 10,000 yuan as a deposit for each set."

"What? It's fine if you want to order, but you actually want to limit the purchase? Are you out of your mind, Old Man?" The red-dressed girl shouted unhappily.

The girl in the light yellow clothes snorted coldly and said, "Forget it if you don't want to buy it! Someone is begging you? If you don't want to buy it, hurry up and leave!"

The red-dressed girl glared fiercely at the girl in the light yellow clothes, and then she curled her lips and said, "Forget it, forget it. I Can't come all the way here for nothing. Ten sets is fine."

"Alright, I'll order ten sets too. Seriously, I thought I could buy more to give away, but I didn't expect it to be limited. Seriously!"The aqua-pink Girl said helplessly.

After the four girls left, everyone was as curious as a cat scratching its head. What was the deal with this heaven, earth, mountains, rivers, and moon dress? Why did the four girls come all the way here to buy it? They even said it was very cheap. What was going on?

One of the smart ones shamelessly found the yellow-clothed girl who was strolling on the street. "Miss, May I ask why you want to buy the Heaven, earth, mountains, rivers, and moon dress?"

"You don't Know? This heaven, earth, mountains, rivers, and moon dress is not simple. Let alone 200,000, it's 500,000..."

"Su Xing!"The girl in aqua blue tugged at the girl in yellow, stopping her from continuing.

The girl in yellow stuck out her tongue. "I didn't say anything! Just pretend like you didn't hear anything."

The Girl in yellow wanted to continue, but she was dragged away by the girl in Aqua Blue.

Someone also went to ask the girl in red. The Girl in red pouted. "If you like it, then buy it! There's no need for so many WHYS!"

The onlookers immediately imagined a lot of things. Could it be that there was really something special about this dress? Otherwise, why would these four girls come all the way here to buy it?
