

## The Yun Family's Ninth Child is an Imp! Chapter 1955

Shopkeeper Guo shook his head. "It's not that I don't want to sell it to everyone. I'm just afraid that everyone will act on impulse. After all, this 200,000 is not a small amount. Don't give us the deposit and then go back on your words. The deposit is not refundable."

"Shopkeeper Guo, look at what you said. We are already so old, how can we go back on Our Words? ! Just sell it to us!"

"That's right! We are willing to buy it, why are you talking so much nonsense? ! Hurry up and collect the money!"

"Stop wasting time. If you don't sell it to us, you are trying to raise the price!"

..

Shopkeeper Guo smiled bitterly. "I am afraid that you will buy it and say that it will not increase the speed of absorbing the spiritual essence or something. I never said that the clothes have that effect. Don't frame me when the time comes."

"If it doesn't have that effect, then it doesn't. We didn't buy it because of that effect. The dress is just for wearing. Hurry Up!"

“That’s right! We won’t regret it if we buy it. You’d better get someone to make the dress quickly. We are still waiting to wear it!”

..

Shopkeeper Guo secretly closed the recording stone. Only then did he let the workers maintain order and began to collect the deposit in an orderly manner.

Shopkeeper Guo saw that the line was almost at the end of the street. The admiration in his heart for Yun Chujiu was like a torrential river!

Miss FANGCAO was really a God!

The development of this matter was almost exactly the same as what was written in the letter. Could she have predicted it? It was really too unbelievable!

Shopkeeper Guo roughly calculated. My goodness, after this batch of defective goods was sold, it would be a huge profit! The price of this batch of cloth was 500 million high-grade spirit stones. If this ready-made garment was sold, it would cost more than 2 billion high-grade spirit stones!

There was another person who was even more dumbfounded than shopkeeper guo. It was Mo Xiaoting from the Teahouse!

The teahouse was very close to Jin Xiu Zhuang and the windows were open, so he could hear everything clearly.

Increase the speed of absorbing spirit energy?

How was this possible? ! Wasn't this just a batch of defective goods?

Mo Xiaoting felt that if he wasn't in the know, he would have followed the trend and bought a few pieces. After all, he couldn't find any flaws in this whole thing.

"Grandfather, we've finished drinking the tea. Let's go back to the mansion!" Yun Chujiu said with a smile. The results were even better than expected. It could only be said that the people of the immortal Yuan continent still didn't know how to play the game! A few simple tricks and hunger marketing were all done. It wasn't challenging at all.

Mo fangqin, who was standing beside her, had a rough idea of what was going on, but she was still shocked by what she saw. It had to be said that although the bumpkin's method was a little damaged, the results were great!

Mo Xiaoting was, after all, someone who had seen the world. Although he was shocked, his expression quickly returned to normal, "Let's go back to the mansion."

Yun chujiu pursed her lips. Old Fox, why are you pretending to be calm? ! You are the head of the Mo family, what is the meaning of this? !

After walking for a while, Mo xiaoting finally returned to normal. However, he was filled with questions and couldn't wait to fly over to the Mo residence to ask Yun Chujiu what was going on.

Finally, the group returned to the Mo residence.

After entering the study room, Mo Xiaoting was just about to ask Yun chujiu what was going on when Mo Peng and Mo Chang ran over excitedly.

"Father! Father! Please tell shopkeeper Guo to stop selling the heaven, earth, mountains, rivers, and moon dresses! It turns out, we are getting a blessing in disguise!"!

The plain brocade was not a defective product. It was soaked in a special spiritual herb. After wearing it, it could increase the speed at which it absorbed spiritual energy. How could such a good item be sold for only 200,000 yuan? ! At least 500,000 Yuan!" Mo Chang said excitedly.
