

## The Yun Family's Ninth Child is an Imp! Chapter 1958

Mo Xiaoting glanced at him and said coldly, "I'm afraid second elder Zhao has misunderstood. The Mo family doesn't agree to this marriage. Fang Cao has just returned to the Mo family. We can't bear to let her get married so early."

What? !

Second Elder Zhao and Mo Cheng were stunned. Mo Xiaoting didn't agree to this marriage? Was he stupid? How could he not want such a big piece of meat?

"Father, what... What did you say? How could you not agree to such a good marriage?" Mo Cheng asked in disbelief as he stood up.

"How dare you! Do you have the final say or do I have the final say? This marriage is not going to happen!" Mo Xiaoting shouted angrily.

Second Elder Zhao's face turned ashen, "Good, very good. Family Head Mo is really stubborn. If that's the case, from now on, the Zhao family will not sell even a single talisman to the Mo Family!"

Mo Cheng heard this and his hands immediately went numb, "Second elder Zhao, please go back to the guest house and calm down. I will try to persuade my father. Don't worry, I will definitely convince him. He must not have thought things through yet."

Although second elder Zhao was furious, he did not want to return in defeat. He held back his anger and left.

“Father, I have something to tell you. Please ask everyone else to leave,” Mo Cheng said to Mo Xiaoting as he glared at Yun Chujiu.

Seeing Mo Cheng’s serious expression, Mo Xiaoting gently said to Yun Chujiu, “Fangcao, you should go back first. Don’t worry, grandfather will not agree to this marriage.”

Yun Chujiu nodded and hopped off.

The man was confused. Mo Cheng seemed to be well-prepared. What exactly did he want to say to the old Fox?

The next morning, Yun Chujiu and Mo Fangqin arrived at Mo Xiaoting’s study room. Yun Chujiu’s heart sank.

Mo Xiaoting’s expression turned cold and distant. What did Mo Cheng say to change the Old Fox’s attitude?

“Fangqin, you can go back now! You Don’t have to come to the study room anymore,” Mo Xiaoting said with a cold expression.

Although Mo Fangqin was confused, she did not dare to say anything else. She gave Yun chujiu a look of self-hope and retreated.

Mo xiaoting glanced at Yun Chujiu, he sighed, “Fangqin, grandfather is going back on his word. It’s not that grandfather doesn’t keep his word, but the Zhao family has said something ruthless. If I don’t marry you, not only will they not provide us with talismans, they will also cut off our supplies of satin and pills.

“If that’s the case, the Mo family will collapse. So, you should marry them!”

Yun Chujiu’s heart sank. As expected, something unexpected had happened. However, she did not believe Mo Xiaoting’s reason. Although the Zhao family could control the talisman business, they did not have the ability to control the other families.

Moreover, the Mo family still had a backup plan, and that was the Mo family from the East Continent. Unless the Zhao family was provoked, they would not be so ruthless.

Mo Xiaoting’s sudden change of mind must have something to do with what Mo Cheng said. What exactly did he say?

Although Xiao Hei had dug holes in Mo Cheng's study room and bedroom, he did not hear what Mo Cheng had said. He only heard Mo Cheng and Luo Shi say that he was confident that he could convince Mo Xiaoting.

Yun chujiu knew that begging was useless. The only thing that could change Mo Xiaoting's mind was enough benefits. He had to be so greedy that he did not care about what Mo Cheng said.

"Grandfather, I understand what you're saying." "But, this news is too sudden. Can you give me a day to recover?" "If you listen to me and decide to let me marry you tomorrow morning, I will obediently follow your arrangements," Yun Chujiu said pitifully.
