

The Yun Family's Ninth Child is an Imp! Chapter 1959

Mo Xiaoting saw the pitiful expression on Yun Chujiu's face and the last bit of conscience in his heart woke up, he sighed, "Fine, I'll give you one day. But, don't think about running away. With your weak spiritual power, leaving the Mo family is just asking for death."

"Grandfather, I'm not stupid. How could I run away? ! You can continue with your work, I'll take my leave now."

"OK, let's go back!" Mo Xiaoting couldn't help but sigh in his heart. It was rare to see such a calm personality. Unfortunately, he couldn't keep this little girl.

As soon as Yun Chujiu heard He Xuan, Mo Fangqin ran over, "Big Sis, what did grandfather say to you? Did he agree to let you marry him again?"

Yun Chujiu nodded, "That's right. Grandfather has changed his mind."

"How can this be? ! This is too much! Elder sister, what should we do now? Are you really going to marry him? There must be something wrong with this marriage. If not, the Luo clan would have let Mo Fanghua marry him!" Mo Fangqin said angrily.

"Don't be anxious. I've bought grandfather a day. I'll think of a way." Yun Chujiu said calmly.

“Elder sister, I really admire you. Even at this moment, you are still so calm.”

“Panicking won’t solve the problem! Go back first, I’ll think about it.”

Mo fangqin had no choice but to walk out. The worry in her heart was no less than Yun Chujiu’s. On one hand, she was worried about Yun Chujiu’s safety. After all, they had already formed a friendship after spending so much time together.

On the other hand, she was worried about her and Aunty Qiu’s safety. Once Yun Chujiu married out, the Luo clan would definitely settle the score with Aunty Qiu. They would definitely be further tormented by her and Aunty Qiu.

Yun chujiu sat in front of her desk, her chin resting on her hand as she tried to think of a solution.

The plain brocade had earned 1.5 billion, yet it was not enough to change his mind. This meant that the matter Mo Cheng was talking about must be very important. What exactly did he say?

Yun Chujiu’s head hurt as she thought about it. She could not figure out what Mo Cheng was talking about.

Forget it. No matter what he said, Mo Xiaoting's eyes were only focused on benefits. As long as the benefits were big enough, no matter what Mo Cheng said, he would definitely change his mind.

Otherwise, he could just tell the old fox that she knew how to create talismans?

No! This method could not be used unless it was absolutely necessary. The side effects were too great.

But, if he didn't use this method, how could he change Mo Xiaoting's mind?

Yun Chujiu had been racking her brains. She did not even have lunch. Mo Fangqin was also worried. Seeing that Yun Chujiu did not eat, she did not eat either.

"Big Sister, you have already earned 1.5 billion for grandfather, and he still wants to marry you off. How can he be so greedy! Could it be that he wants you to earn 15 billion for him before he is satisfied? !" Mo Fangqin said angrily.

Yun Chujiu had a flash of inspiration in her mind, she hugged Mo Fangqin and said happily, "Third sister, what you said makes sense! If 1.5 billion doesn't work, we will earn 15 billion for him! If 15 billion doesn't work, we will earn 150 billion for him!"

Mo Fangqin was scared silly. “Big, Big Sister, are you alright? What nonsense are you talking about?”

“I’m not talking nonsense, what you said makes sense! As long as I can make enough money for grandfather, he won’t marry me off.”.

The reason why he changed his mind was that this 1.5 billion was not enough to move him. I’m going to write a plan now, a plan that can make countless 1.5 billion,”yun chujia said confidently.

Mo fangqin only had one thought in her mind. The country bumpkin had gone crazy!
