

## The Yun Family's Ninth Child is an Imp! Chapter 196

When Su Yun heard Yun Chujiu's words she was on the verge of breaking down!

'If you want to come, come yourself.' In the future, she will never visit again!

When she reached the top, Yun Chujiu's expression immediately changed, she burst into tears. "Sect master, you have to make a decision for me and Senior Sister Su Yun! We've been harmed so miserably! If it weren't for Senior Sister Su Yun and I carrying some candies, we would already be choking on our farts right now..."

Yun Chujiu cried as she pulled on Su Yun's sleeve. Su Yun was scared silly by Yun Chujiu's face-changing technique!

She was stunned for a moment before crying, "I beg Master to help me."

The corner of Master Xuanyuan's eyes twitched. "What's going on?"

Yun Chujiu used her sleeve to eyes. "Master, Senior Su and I were just looking at the little spirit beasts. I didn't expect that disciple called Luo Feng to actually push Senior Su. I subconsciously wanted to pull her back, I didn't expect that crazy Luo Feng to actually push both of us into the beast's nest! "Sob sob, I'm very timid. I was almost scared to death. My little heart is jumping out of my chest..."

Everyone's faces froze. 'Yun Chujiu, are you really not afraid of being struck by lightning?

'You're timid? You were almost scared to death?

'Why didn't we see it?

'Why do we feel that you're jumping around happily?!

'Just now, who was the one who shouted that she would come again in the future?!'

Master xuanyuan coughed dryly. "Elder Xiao, the incident happened on the West Peak, you should handle this!"

Even though Elder Xiao did not like Yun Chujiu, the evidence was conclusive and there was nothing to be biased about. He immediately asked the disciples present, and sure enough, what they said was identical to Yun Chujiu's statement.

Elder Xiao was about to send someone to capture Luo Feng, when someone came over to report that he wanted to escape the sect, and had already been detained by the disciples guarding the sect.

The more Luo Feng thought about it, the more scared he became. 'The Mighty Elephant is a level 8 Demon Beast. By the time I get Elder Ge here, Yun Chujiu and the others will already be dead! I might as well take advantage of the fact that this matter hasn't blown up and run away.'

He originally planned to get out of the sect, but he did not expect the disciples guarding the sect to be so dedicated. When they saw Luo Feng's panicked expression and the fact that he had not even left the sect, they immediately detained him.

Elder Xiao simply got someone to bring Luo Feng there for a public hearing.

Many disciples received the news and rushed over, whispering amongst themselves.

Luo Feng saw that Yun Chujiu and Su Yun were not dead. He could not help but feel a little lucky. If they were not dead, then he did not have to die!

“Luo Feng, why did you push Su Yun and Yun Chujiu into the beast’s nest? What grudge do you have with them?” Elder Xiao’s expression was dark, staring hard at Luo Feng.

Luo Feng looked viciously at Yun Chujiu. “I don’t have a personal grudge with Su Yun. I just don’t like the fact that trash like Yun Chujiu could enter our Spirit Radiance Sect. I originally wanted to push Yun Chujiu down, I didn’t expect to push Su Yun down by mistake.

“Elder Xiao, even though I was wrong, Yun Chujiu is still trash. How did she not only enter the Spirit Radiance Sect, but also gain access to the library? I’m not convinced! I believe everyone isn’t convinced either!”

Luo Feng’s words obviously resonated with some people. ‘Right. How could trash like Yun Chujiu be in the same sect as us geniuses?’

Yun Chujiu’s eyes deepened. “Leader, Elder Xiao, can I speak my mind?”

Master Xuanyuan nodded. “Sure, go ahead!”

Yun Chujiu straightened her little body, and with a serious expression, she said, “I don’t know if there’s anyone else who shares the same thoughts as Luo Feng. Yes, I’m quite useless, I admit! However, I’m the same as you guys, I passed three rounds of the entrance exam and got in fair and square!

“Luo Feng, you despise me for being useless? Hmph, isn’t this just the pot calling the kettle black! If Senior Feng Ming and the other geniuses look at you the same way, you’re just trash too! What right do you have to look down on me?

“Besides, the library access was given to me by the head. Do you think the head’s IQ is lower than yours? Why would he give me this authority for no reason? Southern Jade Square is the ten thousand-year-old foundation of our Spirit Radiance Sect. Even though I only found a few small holes, I indirectly saved our Spirit Radiance Sect’s reputation! Is our reputation not worth the access authority of a library?

“Lastly, I’ll tell you one thing, Don’t bully the young and poor! I, Yun Chujiu, am trash today, but it doesn’t mean that I’ll always be trash. One day, the Spirit Radiance Sect will be proud of me, Yun Chujiu!”
