

The Yun Family's Ninth Child is an Imp! Chapter 1963

Mo Xiaoting asked someone to invite second elder Zhao to the living room. However, second elder Zhao was still acting high and mighty.

“Second elder Zhao, after careful consideration, the Mo family still can't bear to let the grass grow on our side get married so early. So, we won't be trying to climb up the social ladder,” Mo Xiaoting did not want to offend the Zhao family, so he spoke in a polite tone.

Hearing this, second elder Zhao immediately flew into a rage out of humiliation, “Master Mo, are you playing with the Zhao Family? Repeated over and over again, this is outrageous!”

Seeing his attitude, Mo Xiaoting thought of what Yun Chujiu had said, his face darkened, “Second elder Zhao, your words are too biased. When did I, Mo Xiaoting, ever agree to Fang Cao's marriage? Besides, this marriage is to marry two families, not to make enemies. What kind of attitude is this?”

“Master Mo, your second son asked someone to marry his daughter to our Zhao family. That's why we came here to get engaged. Now That You've gone back on your words, your MO family has gone back on your word!”

“To tell you the truth, our Zhao family is definitely going to marry Mo Fang Cao. Whether you marry her or not, we will see!” Second elder Zhao slapped the coffee table and said viciously.

“Second elder Zhao, let me tell you the truth. Mo Fangcao is not going to marry the Zhao family. If the Zhao family has any tricks up their sleeves, just use them. The Mo family is not to be trifled with! “Even if it’s not enough, we still have the east continent’s main family. The Zhao family shouldn’t go too far!” Mo Xiaoting did not want to be outdone, since they had fallen out, there was nothing to be afraid of.

Mo Cheng stood by the side, his head covered in sweat. He hated Yun Chujiu to death. It was all that wretched girl’s fault. If she had married him, there wouldn’t have been such a thing!

“Good! Very good! Mo Xiaoting, let’s wait and see!” Second Elder Zhao saw that Mo Xiaoting had already said everything he wanted to say, so he did not stay any longer. After leaving behind some harsh words, he turned around and left!

Mo Cheng was just about to chase after him when Mo Xiaoting scoffed. He had no choice but to stop in his tracks, “Father, second elder Zhao doesn’t sound like he’s angry. What if he really wants to punish the Mo Family?”

“Useless thing! This is all your fault! I’m warning you, stay away from the Luo family! If you cause any more trouble for me, I will take back all the shops you own. Just wait for the wind to blow in your direction!” Mo Xiaoting wished he could give him a few kicks, what a useless fool!

Mo Cheng did not dare to talk back. He was so embarrassed that he did not dare to speak.

Mo Cheng returned to his courtyard and Luo Shi immediately came up to him, "Husband, how is it? Is it set for the 8th of next month?"

"Set for what? ! Father has gone back on his word again. He doesn't want to marry that rebellious daughter and has even fallen out with second elder Zhao. I'm so angry!"

"What? Why did father go back on his word? Didn't I tell you to keep an eye on her in the study?" Luo Shi could not help but turn anxious. This was related to the Luo family's interests. She had made a guarantee in her family.

"That unfilial daughter wrote some business plan. After father read it, he changed his mind. Alright, Alright. I'm already annoyed enough. Stop asking!" Mo Cheng said impatiently.

Luo Shi did not dare to say anything more, but in her heart, she blamed Mo Cheng for not keeping an eye on her. What a good-for-nothing!

The next day, Mo Xiaoting summoned all the members of the Mo family to the main courtyard. He said he had something important to announce.

Everyone was confused. What was the family head going to announce?

Of course, Mo Cheng Knew What Mo Xiaoting was going to announce. He gnashed his teeth in anger, but there was nothing he could do.
