

The Yun Family's Ninth Child is an Imp! Chapter 1964

After everyone had arrived, Mo Xiaoting went straight to the point, he immediately said, "After a few days of investigation, I have decided to increase the number of candidates for the position of the next family head by one. From today onwards, Fang Cao will officially become the candidate for the position of the next family head."

What?

Everyone immediately exploded!

Mo Chang said loudly, "Father, what did you say? Fang Cao is just a little girl, yet she has the same qualifications as us? What ability does she have to be on the same level as us? !"

"That's right, father. Taking ten thousand steps back, no matter how smart and capable Fang Cao is, she will be married off in the future. How can we let her become a candidate? ! If you want to choose someone from a different generation, don't you still have a few grandchildren ? !" Mo Peng was also anxious.

Mo Peng and Mo Chang's sons also revealed indignant expressions. Grandfather was too biased! Besides, this family business was passed down from generation to generation. Mo Fangcao was never in their turn!

Mo Xiaoting scoffed, "Why? Just because she was able to sell the defective goods that you brought back for a sky-high price! Just because she was willing to sacrifice her own happiness for the Mo family! Just based on these two points, which one of you can do it? !"

Mo Peng and the others were stunned, "Father, the plain brocade was sold for a sky-high price because it increased the absorption of spiritual energy. What does this have to do with Fangcao?"

"A bunch of idiots!"! Don't you know what exactly came in? ! Keep Your Mouths shut. If anyone dares to act recklessly outside, I will kick them out of the Mo family," Mo Xiaoting's head buzzed as he looked at the bunch of idiots, these people combined were not as calculative as the grass. They were all idiots!

Mo Peng and Mo Chang were still a little confused, but they did not dare to say anything when they saw Mo Xiao and Mo Chang. Instead, they turned their gazes towards the smiling Yun Chujiu.

Yun chujiu felt that if these people's gazes turned into knives, she would become a sieve!

"Fang Cao, say a few words!" Mo Xiaoting said to Yun Chujiu.

Yun Chujiu knew that this was Mo Xiaoting's assessment of her, so she wasn't afraid.

“Everyone must think that I don’t have the qualifications to be a candidate for the position of family head. I Won’t say too much. Let’s speak with facts.”.

As far as I know, my uncle, my third uncle, and my father each have three shops.

I will ask my grandfather for a shop. We will use a month’s time. I guarantee that the profit of my shop will be more than all nine of your shops combined.

If I can’t do it, I will voluntarily give up the qualification to be the candidate. However, if I succeed in this matter, who will still doubt my ability, then, don’t blame me for being ruthless!”Yun Chujiu said with a smile. In the end, her expression turned serious and her aura became fierce.

No one present had seen Yun chujiu before. They were all stunned and no one said a word.

“Good! The Mo family will have this aura! Let’s do as Fang Cao says. I will give her a shop for a month and see if she can do it,”Mo Xiaoting agreed, he also wanted to see if Yun chujiu was bragging.

Mo Peng rolled his eyes, “Father, we also want to see how capable Fang Cao’s niece is in business. However, you can give her any shop, but you can not give Jin Xiu manor to her.”

Luo Shi whispered something to Mo Cheng. Mo Cheng's eyes lit up as he agreed, "That's right, Jin Xiu Manor is currently earning a lot of money every day. Father, why don't you let Fang Cao take care of the grocery store?"
