

The Yun Family's Ninth Child is an Imp! Chapter 1965

Mo Peng and the others couldn't help but laugh at Mo Cheng's misfortune.

The grocery store operated a variety of groceries and talismans. The groceries weren't worth much, so it was too difficult to make money!

As for talismans, there was no need to mention them. The Zhao family was definitely going to cut off their supply. Without a supply, no matter how powerful they were, they wouldn't be able to use them.

Mo Xiaoting furrowed his brows. Other shops were fine, but the profit of this grocery store was not even comparable to the nine shops combined. Wasn't this a little too harsh?

"Grandfather, since father has said it, let's do it!" Yun Chujiu said nonchalantly.

"Since you have no objections, then it's settled. I'll leave the grocery store to you to manage," Mo Xiaoting said. He wanted to see what method Yun Chujiu would use.

Mo Peng and the others pursed their lips in their hearts. Did this Mo Fangcao really think she was a god? Without the supply of talismans, how could she expect to earn more money than the nine stores with just a few items? In her dreams!

After the crowd dispersed, Yun Chujiu followed behind Mo Xiaoting into the study room.

“Grandfather, my spiritual power is too low. If I go out, I won’t be confident. Just give Hei Shi to me!” Yun Chujiu said cheekily.

“Alright! You have a point. I’ll Give You Hei Shi!” Mo Xiaoting’s heart skipped a beat. It was a good idea to give Hei Shi to her. He could also keep an eye on her and report to him if anything happened.

After calling Hei Shi in, Mo Xiaoting said, “From now on, follow Fang Cao! If anything happens to her, I won’t let you off!”

After thanking Mo Xiaoting, Yun Chujiu led Hei Shi out of the study room.

“Hei Shi, I heard that the Xuan has plenty of empty rooms. You can pick any room you want. From now on, you will be at my Beck and call. Do you understand?” Yun Chujiu placed her hands behind her back and put on a pretentious look.

“Yes! Miss Fang Cao.” After Hei Shi successfully sold the plain brocade, he had made up his mind to follow Yun Chujiu. That was why Yun Chujiu had asked Mo Xiaoting for him today. As for Mo Xiaoting’s plan to spy on Yun Chujiu, it was a good opportunity for Yun Chujiu to backstab him.

“Remove the FANGCAO and call me miss!” Yun Chujiu was annoyed by the word ‘Fangcao’. I’m not called Mo Fangcao, I’m called Yun Chujiu!

As soon as Yun Chujiu heard he xuan, Mo fangqin said angrily, “Sister, are you free? ! Didn’t you dig a hole for yourself? Why did you make a bet? ! I’m so angry!”

“Third sister, you don’t understand this, do you? !” “As you can see, those people are not satisfied. If I don’t show them my real ability, they will continue to pick on me.”. “Most importantly, the Zhao family might have some tricks up their sleeves. I have to prove myself in a short period of time.”

“Big Sister, you have a point. But you can’t pick a grocery store! Without Talismans, how are you going to make money? Let Me Ask You, how are you going to make money?” Mo fangqin was about to explode.

“What’s the rush? Without Talismans, we still have those sundries! Besides, we can start a business that makes money! Anyway, it’s a grocery store. We can do anything. It’s a good place to show off our skills!” Yun chujiu said with sparkling eyes.

Mo Fangqin glared at her. “They have restaurants to eat, clothes to buy, and medicine to buy. What else can you do in a lousy grocery store?”

“Third sister, don’t look down on the grocery store. Although things like oil, salt, soy sauce, and vinegar are not eye-catching, they can still make money if done well. Don’t worry, if I say it can make money, it will definitely make money.”. “Let’s go. There’s nothing to do. Follow me to the grocery store to take a look.”
