

The Yun Family's Ninth Child is an Imp! Chapter 1974

"Oh! So it's the eighth layer of the spiritual venerable realm! I thought it was a high level of spiritual power! Don't be afraid, Don't be afraid, I have something good to deal with them!"

Yun Chujiu said as she took out a thick stack of talismans from her storage ring and handed it to Hei Shi. Then, she took out another stack and handed it to Mo Fangqin.

Hei Shi looked down and stumbled. This was a thick stack of high-grade burst talismans, roughly fifty to sixty of them.

"Miss, you, where did you get so many burst talismans? Did you steal all the stock from the grocery store?"

"I looted them from the Tian Yuan continent, I still have them here! Take them and play with them!" Yun Chujiu said carelessly, these high-grade burst talismans were originally meant to be sold in the Thunder sect, but now, they could be used to torture dregs. Super-grade burst talismans were too eye-catching, high-grade ones were enough.

Yun chujiu also took out a stack of talismans and waved them at Luo Yan. "Little B * TCH, did you see that? Do you recognize what this is? All of you kneel down, or I'll blow you up!"

Luo Yan couldn't help but be stunned when she saw so many high-grade burst talismans, however, she quickly sneered and said, "B * TCH, you took this from your mo family's grocery store, right? Do you

think that you can scare me? We are so close. If you use the talisman, you will also be injured by the explosion. I don't believe that you dare to use it?

I advise you to quickly admit your mistake. Otherwise, I will send you to the furnace, cauldron, and Hall. I think trash like you are only fit to go there!"

"What you said makes sense! Why didn't I think of this! Thank you for your reminder. Then, look at what I have in my hand." Yun Chujiu's eyes deepened. This little B * TCH is really ruthless!

As Yun Chujiu said this, she threw a big sack at Luo Yan, and then suddenly jumped back. Hei Shi and Mo Fangqin also jumped back.

Boom!

After the sack was broken, the chili powder inside flew out!

Luo Yan and the guards were choked to tears. Even some onlookers were choked to tears.

Damn!

This Miss Fang Cao is too mean!

I've never heard of anyone using chili noodles as a hidden weapon!

Yun chujiu did not stay idle. She threw a few burst talismans at the Luo family members. She did not throw too many. If someone were to die, it would be hard to explain. It would be fine as long as they were half-dead.

Luo Yan and her subordinates would be in deep trouble!

They were choked to the point that they could not open their eyes. How could they avoid it? !

Fortunately, their spiritual power was profound. Although they were screaming and screaming from the explosion, they didn't lose their lives.

"Hei Shi, you should have no problem dealing with them now, right? Imprison them all. Damn it, how dare you delay my meal? You're really courting death!" Yun Chujiu said angrily with her hands on her hips.

Hei Shi felt that his worldview had been completely refreshed!

Damn it, so the chilli flour's lethality was actually so great? ? ! Damn it, our strange young lady actually placed such importance on her meal? ! !

Hei Shi leaped forward and easily subdued the Luo family members who were in a terrible state.

Seeing that everyone was restrained, Yun Chujiu placed her hands behind her back, she walked in front of Luo Yan with a sinister smile on her face. "TSK TSK, Little B * Tch, you're the one who delivered yourself to my door. Don't blame me! Come on, as usual, ten million spirit stones. Otherwise, I'll Have Hei Shi strip you of your clothes!"

"B * Tch! How dare you? If you dare to humiliate me, our Luo family will not forgive you!" Luo Yan was both embarrassed and angry, she was both angry and resentful. Never in her wildest dreams did she expect to bring ten people here and be defeated by a sack of chili noodles!

"Yo, there's really nothing I wouldn't dare to do! Those from the south and those from the north, come and take a look! The young miss of the Luo family will be stripped of her clothes soon!" Yun chujiu took out a large copper basin from her storage ring, she knocked on it while shouting.
