

The Yun Family's Ninth Child is an Imp! Chapter 1975

"Cheap, person, you shut up for me!" Luo Yan wants to be mad.

"Shut up? I will send you to the furnace, the tripod, and the hall that you yearn for after I have shown you enough light for everyone to enjoy. There are not many kind people like me!" The black lotus skill was lit up again, it feels so good!

Luo Yan was in a terrible state now. Her face was swollen like a pig's head, and her body was covered in blood from the explosion. She roared hysterically, "B * Tch! B * Tch! If you dare to do that, I won't forgive you even if I become a ghost!"

"Aiyo, I'm not afraid of threats! Cut the crap. Do you want money or face? If you don't give me money, I'll start stripping you right now! I believe everyone is waiting to see!" Yun chujiu pretended to strip Luo Yan's clothes.

Seeing that Yun chujiu was serious, Luo Yan was so angry that her eyes were red. She shouted, "Give it! I'll Give It!"

"Why didn't you agree earlier? Seriously, you wasted a few burst talismans and a big bag of chili noodles. Isn't it expensive?!" Yun Chujiu said with a regretful look.

The journey of the masses was like this: Poor Miss Fang Cao — kind Miss Fang Cao — generous Miss Fang Cao, F * ck! So it was a cruel little devil!

Luo Yan didn't have that many spiritual stones on her, so she scraped together enough to give ten million spiritual stones to Yun Chujiu.

"Now, you can leave! Luo Yan, I'm warning you. If you provoke me again, I'll have to raise the price. Ten million is too cheap!" Yun Chujiu said leisurely.

Luo Yan was so angry that she was trembling. "Mo Fangcao, you're ruthless, you're ruthless enough! Let's wait and see!"

"Wait and see? Let's wait and see. I'm not afraid of You!" Yun chujiu hugged her shoulders and shook her legs. She was as arrogant as she could be.

Hei Shi only had one thought in his mind. I probably can't protect this ancestor alone! After beating up the Luo family's eldest daughter twice in half a day, this ancestor's ability to attract hatred was too strong!

Luo Yan glared at Yun Chujiu viciously, and left with her subordinates staggering.

“Everyone, I’m sorry for causing you to suffer an unexpected calamity! Hei Shi, give out ten spirit stones each! Express my apologies.”

Yun chujiu waved her small hand, and Hei Shi began to give out the money.

“Miss Fang Cao, you’re too polite! You’re scattering the chili noodles to protect yourself. We all understand.”

“That’s right. Luo Yan has brought so many people. If you don’t fight back, wouldn’t you be in trouble? So the pepper is really good!”

“Miss FANGCAO, don’t worry. If anyone asks, we will definitely help you testify. It is the Luo family that has pushed us too far. It is not your fault.”

..

Yun Chujiu felt that the people in the immortal Yuan continent were too sensible. They didn’t even need to teach them how to speak. They were really understanding!

Mo Fangqin was already used to Yun Chujiu's method of controlling public opinion, so she could still be considered calm. Hei Shi was different. Although he had just experienced a wave, he was still somewhat dumbstruck.

These people didn't even want their integrity because of ten spirit stones?

If they didn't know, they would have thought that these people were all from the Mo residence! This was too biased towards Miss Fangcao!

What Hei Shi did not know was that these onlookers also had their own little tricks up their sleeves.

Damn, this Miss Fangcao was really generous!

For the sake of a small sum of money, she had to speak up for her! Moreover, perhaps there would be plenty of opportunities like this in the future. There was no harm in brushing one's face first!

Moreover, this Miss Fangcao was a vicious and merciless person. Even the eldest daughter of the Luo family dared to beat her up. What did she not dare to do. ! So it's better not to offend her.
