

The Yun Family's Ninth Child is an Imp! Chapter 198

Manager Zhou opened an opening in the array and Luo Feng could not wait to jump down!

He was thinking in his heart, there were so many powerful beings up there, those mammoths would definitely be wary. As long as he lasted for an hour, he would be able to escape this calamity!

Luo Feng landed on the dry grass at the bottom. After getting up, he smiled at the Might Elephants. "I'm just feeding you normally—"

Luo Feng had not even finished speaking when one of the Mighty Elephants angrily used its long trunk to pick him up, fiercely slamming him against the stone wall.

The other four Mighty Elephants also angrily took turns to do so. It was this hateful human!

They almost fell for his trick!

If it was not for that kind little girl, they would have been succeeded by this shameless person!

Kill him!

How could Luo Feng endure this torment? Very soon, he died.

Yun Chujiu sighed. "Sigh, Senior Su, we've already tried our best. However, those Mighty Elephants probably saw that Luo Feng wasn't as good looking as the two of us, so they killed him in a fit of anger. This is his life. Let's not feel guilty about it."

Su Yun was already in a daze, nodding her head.

Master Xuanyuan and the other elders' expressions froze, thinking to themselves, this Yun Chujiu was really a little demon who could eat people without spitting out their bones. If she really got into the top 10 of the trials, one could imagine that with such a little ancestor, their Spirit Radiance Sect's days would definitely be 'exciting'!

The surrounding disciples looked at Luo Feng's miserable state and could not help but look fearfully at the sighing Yun Chujiu. In their hearts, they raised Yun Chujiu's danger level to 5 stars. Even though this Yun Chujiu did not have any spirit energy, she had a gut full of evil. It was better to not provoke her in the future.

Master Xuanyuan and the other elders all left after seeing that the matter had been settled.

Yun Chujiu bowed to Su Yun. "Senior Su, I've implicated you today, causing you to suffer an unexpected disaster! If there's a chance in the future, I'll definitely make it up to you."

Su Yun immediately said, "Little Sister Jiu, this is all that Luo Feng's fault. It has nothing to do with you, so you don't have to take it to heart."

Su Yun thought, 'What a joke. Not only do I not blame Yun Chujiu, even if I did, I wouldn't dare to say it. This fellow has a gut full of evil, I wouldn't dare to offend her!'

Yun Chujiu smiled, after which she jumped in front of Feng Ming. "Feng Ming, let's go. Let's continue watching the little beasts."

Feng Ming nodded dumbly. He felt that he could no longer see through this Little Sister Jiu. Normally, her personality was jumpy and muddled, but every time it came to a critical moment, she would always be able to surprise and win. On top of that, her courage was shocking!

Not even mentioning anything else, those were five eighth grade Mighty Elephants. If it were any other ordinary disciple, they would have long been scared silly. However, she was able to survive just by

opening her mouth. Moreover, from the looks of it, those five Mighty Elephants were still reluctant to part with her. She was really a ghost!

A muddle-headed Feng Ming accompanied Yun Chujiu to look at a few more types of spirit beasts. After sending Yun Chujiu back to her dormitory, he bade her farewell and left.

After the incident at the Spirit Beast Garden, Yun Chujiu could be considered to be absolutely famous!

Even the two disciples guarding the library were much more polite to Yun Chujiu, afraid that she would use their actions against them.

Other than working, Yun Chujiu spent the rest of her time in the library. Although she had a photographic memory, Spirit Radiance Sect's library had a vast collection of books. In half a month's time, she had only read the books on alchemy on the two floors of the library.

However, this was enough information for Yun Chujiu to use. This fellow decided to start refining pills.
