

## The Yun Family's Ninth Child is an Imp! Chapter 1982

"Family head Luo, this old man will also give you these words! Don't forget your roots, or you will suffer retribution," Mo Xiaoting replied coldly.

Since he had already said these words, there was no need for him to continue. The Luo family head left with Luo Yan in a huff.

Luo Shi hated Mo Xiaoting and Yun Chujiu in her heart, but she did not dare to show it on her face. She looked as if she had been wronged.

Mo Cheng's eyes turned red as he yelled at Yun chujiu, "You troublemaker! Ever since you came back, the Mo family has never had peace! I really shouldn't have brought you back."

"Father, your words have really hurt my heart.". I'm doing this for the Mo family's good. The last time, the Luo family had cheated uncle and third uncle. They also urged you to sell your daughter and tarnished your and the Mo family's reputation. Why are you still speaking up for the Luo Family?"

If you ask me, this second aunt by your side is a vixen. Whenever she's free, she will give you a bewitching potion. Then, she will go behind your back and take all the good stuff and guests from the Mo family to the Luo family. Yet, you still treat her like a treasure! TSK TSK, I really feel bad for you!"

Yun Chujiu wanted to know what Mo Cheng's unfinished sentence was. So, she wanted to anger Mo Cheng so that he would lose his mind and say it out loud.

As expected, Mo Cheng was so angry that he gritted his teeth. Just as he was about to say something, MO Xiaoting sneered, "Enough! Second Brother, you can go back now! I still have something to say to Fang Cao."

Mo Cheng did not dare to disobey Mo Xiaoting's orders. He could only glare at Yun chujiu coldly before he left the living room with Luo Shi.

Mo Xiaoting was about to scold Yun chujiu when he saw Yun chujiu stand up from the small bench, "Grandfather, I know you are angry, but I have a reason for doing this. It's not too late to scold me after you hear what I have to say."

"Speak!"

"Second aunt is definitely a disaster. She shed two tears in front of my father and he lost his mind. He then became loyal to the Luo family."

"To be honest, you're still alive. If you weren't here, my father's fortune would have been given to the Luo family by second aunt!"

“It would be fine if Fanghua got married, but what about brother Junchen?” Is he going to drink the wind of the northwest? That’s why we have to punish this second aunt!” Yun Chujiu said bitterly.

“What do you think?” Mo Xiaoting had long been unhappy with Luo Shi. This woman was too scheming, yet second brother was a soft-headed idiot. Sooner or later, things would go wrong. If it wasn’t for the sake of Mo Fanghua and Mo Junchen’s marriage, Mo Xiaoting would have already made his move.

“Grandfather, the more you talk about my father, the more he won’t listen to you. We need to find another way. I have an idea, what do you think...” Yun Chujiu said.

Mo Xiaoting’s expression turned stiff as he listened. This method was too despicable! However, he had to admit that although this method was a little despicable, the effect was immediate.

“Grandfather, when you achieve great things, you don’t care about the small details! Although this method is a little too much, for my father, for the emperor, the subjects, and the younger brother, this is what we must do!”

“OK, let’s do as you say! I will give you Hei Shi’s original five subordinates. You can arrange for them to do it,” Mo Xiaoting now saw the Luo family as a thorn in his side, he felt that if the Luo family had not instigated this, the Mo family and the Zhao family would not have fallen out. This was all caused by the Luo family.

Mo fangqin, who was sitting in a corner, had always been an invisible person. At this moment, she had lit a candle in her heart for Luo Shi. Luo Shi, who she thought was an insurmountable mountain, was now Yun Chujiu. TSK TSK, it was simply not enough.
