

## The Yun Family's Ninth Child is an Imp! Chapter 199

Yun Chujiu decided to refine the simplest hemostatic pill first. The medicinal herbs needed for the hemostatic pill were all low-grade yellow category medicinal herbs, which were available in the back mountains of the Spirit Radiance Sect. Therefore, Yun Chujiu began to sweep and plunder the area.

After gathering a few hundred sets of medicinal herbs, Yun Chujiu informed Elder Huang in advance and stated that she would be joining a few classes. Elder Huang now found Yun Chujiu to be very pleasing to the eye, so he naturally agreed without hesitating.

Yun Chujiu then found Yun Chusi and said that she would be going to the alchemy room to stay for a few days. She also entrusted Little Black to him to take care of. Although Yun Chusi was confused, but out of blind trust in Yun Chujiu, he just let her be.

After Yun Chujiu arranged everything, she swaggered out of the alchemy room with a big bag on her back.

The disciples guarding the door had seen Yun Chujiu before, and now they even knew that this little girl was known for her wickedness. They asked politely, "Junior Sister Little Jiu, who are you bringing food to?"

Yun Chujiu bared her teeth. "Hello, Senior Brothers. I'm here to rent the alchemy room."

The two disciples were stunned. "You? Rent the alchemy room? What for?"

Yun Chujiu pointed at the bag behind her. "I'm naturally here to refine pills."

The two disciples almost laughed until they passed out. If they were not afraid of Yun Chujiu's evil ways, the two of them would have rolled on the floor laughing.

“J-Junior Sister Little Jiu, are you joking? Pill refinement requires the use of spiritual power to form seals. How can you form seals without spiritual power? If you don’t add spiritual power, it’s impossible to form a pill!” one of the disciples said while holding his stomach and trying not to laugh.

“If I can’t refine it, then so be it. I’m just playing around!” Yun Chujiu said nonchalantly.

“Alright, since you insist, then go in. Ask Manager Gao for spiritual stones to register and you can rent the pill refinement room!” The two guards thought to themselves. This Yun Chujiu was really a little girl. She had money and nowhere to spend it. Five spiritual stones were wasted just like that!

Yun Chujiu entered the alchemy room and found the manager’s room.

“Who is Manager Gao? I want to rent the alchemy room!” Yun Chujiu saw that there were a few people inside, so she asked.

One of the slightly hunchbacked old men looked at Yun Chujiu and said, “I am. You want to rent the alchemy room?”

Yun Chujiu nodded, took out thirty Spirit Stones from her bosom, and handed it to the old man. “This is for six days. If I can’t finish it, I’ll use it again next time!”

“Ha! The world has really changed. Even a trash without spiritual power has to refine pills! Senior Brother Ding Lang, don’t you think it’s funny?” A disciple with a garlic-shaped nose said with a sneer.

“Maybe the fire in the big kitchen is not strong enough. It’s better to roast sweet potatoes with the earth fire in the alchemy room!” A male disciple said arrogantly.

Yun Chujiu glanced at the male disciple who spoke. Ding Lang? Manager Ding's biological brother? He looked much younger than Manager Ding. It was probably because of his high spiritual power!

"Haha, Senior Brother Ding is right!"

"Little girl, don't tell me you're carrying a bag full of sweet potatoes? This earth fire isn't a joke. Be careful that you don't roast the sweet potatoes. Instead, it will make you darker!"

"Exactly! A trash without spiritual power actually wants to refine pills? What a fantasy!"

...

The hunchbacked old man did not say anything. After registering, he handed Yun Chujiu a jade token.  
"Pill refining room No. 2!"

Yun Chujiu took the jade token, thanked him, and left the room with a big bag on her back! As for the sarcasm, in Yun Chujiu's eyes, it was like a disguised encouragement. Focus on refining one's pills. Let others talk about it!
