

The Yun Family's Ninth Child is an Imp! Chapter 1994

When shopkeeper Zheng first saw that a guest had come to visit, he was extremely pleased. The seven treasures lucky card of the Luo family would soon surpass the seven stars Lucky Card of the Mo family. The Mo family was extremely busy. They were all making wedding clothes for the Luo family.

Just as he was feeling pleased with himself, he discovered that other than the dozens of guests who had come in at the beginning, no one else had come in. Even the dozens of guests who had come in at the beginning were clamoring for a refund.

What was going on?

Shopkeeper Zheng sent his staff out to ask around. He was so angry that he was twitching. These rumors definitely had something to do with the Mo family. It was really too damaging!

Shopkeeper Zheng came to the backyard. Luo Pingsheng was sipping tea.

Luo Pingsheng's two sons had recently gone out on business, so he had no choice but to come personally to supervise the battle. However, he felt that shopkeeper Zheng alone could control the situation with the Mo family's ready-made customers, so he did not appear.

"Master, things are not looking good. The Mo family has spread a lot of rumors that are detrimental to the Luo family, so none of the customers are willing to buy our seven treasures lottery card,"shopkeeper

Zheng's forehead was covered in cold sweat, this was the idea that he had suggested to Luo Pingsheng. If all his efforts failed, he would be punished.

Luo Pingsheng frowned. Ever since Mo Fangcao arrived in Feng Li City, the Luo family had not been doing well. Was this the work of that B * TCH, or was it instigated by that Old Fogey Mo Xiaoting?

Seeing that Luo Pingsheng was silent, manager Zheng became even more frightened and asked tentatively, "Family head, what should we do next?"

"Continue selling. Rumors stop at Wise Men. The influence of these rumors will slowly fade away. In the meantime, we might as well make a loss and think of a way to let a few customers win a big prize. When others see the benefits, they will naturally ignore the rumors," Luo Pingsheng said with a dark expression.

"Family head is wise. I will make the arrangements right away. However, the Mo family framed us. Are we just going to let it go?" Shopkeeper Zheng saw that Luo Pingsheng did not intend to punish him, so he heaved a sigh of relief.

"I have my own plans. You Can Leave Now!" Luo Pingsheng's eyes flashed with a hint of viciousness. If the Mo family was not eliminated, the Luo family would never be able to make a name for themselves.

For the next period of time, Yun Chujiu's life was extremely comfortable.

Even though Mo Peng and the others were unwilling, they had to admit that Yun Chujiu was indeed a good money maker. Not to mention other things, just the seven stars Lucky Card alone was enough to make as much money as the other shops in the Mo residence combined.

After Mo Junchen's leg recovered, he ran to hear he Xuan Insult Yun Chujiu. He was beaten half to death by Yun Chujiu again.

He ran to old madam Liu and cried. He did not expect that old madam Liu would scold him and ask him to avoid provoking Yun chujiu in the future. Mo Junchen was so angry that he insisted on going back to Jinchuan city.

Yun chujiu was always in front of old madam Liu. Therefore, when old madam Liu saw that Mo Junchen was so disobedient, she simply sent someone to send Mo Junchen back to Jinchuan city.

When Madam Luo saw that her son was beaten into a pig's head, she naturally hated Yun Chujiu to death. However, Mo Cheng had left for more than twenty days and never returned, so she could only endure it for now.

Ten days later, Mo Cheng finally returned to Jinchuan city. However, he did not return alone. He even brought back two extremely charming women.

Madam Luo's heart instantly sank. She forced a smile and asked, "Husband, who are these two ladies?"

"Qiaoyun, these are the two handmaidens my friend gave me. I saw that they were obedient and obedient, so I took them as my concubines. Hongxia, Hongyun, come and pay your respects to your mistress." Mo Cheng said with a smile.
