

## The Yun Family's Ninth Child is an Imp! Chapter 1996

Mo Xiaoting and Yun Chujiu arrived at the living room. Not long after, second elder Zhao walked in with a young man.

The young man's eyes were green. It was obvious that he was a lecher. As soon as he walked in, his gaze fell on Yun Chujiu and he revealed a lustful look.

"Master Mo, this is my nephew, Zhao Lizhi. He is here to marry Fangcao back to the Zhao family. We have brought the betrothal gifts. Now, let Fangcao follow us!" Second Elder Zhao said arrogantly, he did not even sit down.

Mo Xiaoting sneered, "Second Elder Zhao, aren't you talking to yourself? I already told you last time that we are unworthy of you. Fangcao will not marry the Zhao family."

"Master Mo, I originally wanted to discuss this. But, since you've put it this way, I have no choice but to speak the truth. To tell you the truth, our Zhao family is definitely going to marry Mo Fangcao!"

"Married? On what basis?!"

"On what basis?" Clan leader Mo, do you think that with that seven star Lucky Card Business, your Mo clan will not be restricted by our Zhao clan? HMPH, you're too naive. In the cultivation world, strength reigns supreme. As long as we destroy your Mo clan, the Seven Star Lucky card business will belong to our Zhao clan!"

Second elder Zhao's eyes flashed with greed. He originally thought that the black fragrant grass only had one use, but it turned out to be a money tree. Since that was the case, he had no choice but to take it back.

"Destroy the Mo Family? How arrogant! Aren't you afraid of revenge from the Mo Family?" Mo Xiaoting sneered.

"Mo Xiaoting, this tactic of yours is good for scaring people, but it's useless for scaring the Zhao family!"  
"To be honest, the Zhao family has a strong backer on the eastern continent. Besides, the Mo family has been in trouble recently. How can we care about your distant relatives?"

Second Elder Zhao noticed Mo Xiaoting's expression change, he continued proudly, "So, don't even think about the Mo family! Besides, we have already made a deal with the Luo family. Our people and the Luo family will easily destroy the Mo family."

Mo Xiaoting, I advise you to be sensible. As long as you hand over the Mo Fangcao to us, the Mo family will not only be safe, but you will also have the support of the Zhao family. You can choose where you want to Go!"

Mo Xiaoting's forehead began to sweat profusely. He was no longer confident!

His trump card was the Mo family. If he couldn't count on the Mo family, then the Mo family's guards alone would not be able to compete with the Zhao family. Not to mention, the Luo family had also added insult to injury.

Yun Chujiu's eyes flashed. What she was afraid of came true. If she did not think of a way as soon as possible, the Old Fox would definitely abandon her. After all, nothing was more important than her life.

"Grandfather, since things have come to this, it seems that I have no choice but to marry!"! Second Elder Zhao, this marriage is after all a lifelong event. I Can't just leave with you guys in such a hurry. You have to give me a few days to prepare the dowry, right? "If this little request can't satisfy me, then there's no point for me to live,"Yun Chujiu said faintly.

Second elder Zhao rolled his eyes. "Alright, then I'll give you three days to prepare. If you want to cause any trouble, HMPH, then let the entire Mo family be buried with you! Make up your mind, let's Go!"

Zhao Lizhi smiled at Yun Chujiu in a lewd manner. "Young Lady Fangcao, in three days, your husband will come to marry you. be good and wait!"
