

## The Yun Family's Ninth Child is an Imp! Chapter 1999

Mo Xiaoting was so angry that his head hurt, "Good Thing? The moment you were persuaded by Luo Shi to bring back the fragrant grass, Our Mo family was in a dead end! and the one who wanted to destroy our Mo family was your good father-in-law!"

Mo Cheng twisted his neck and said unhappily, "Father! What are you talking about? ! It's true that my father-in-law has stolen our business a few times, but he wouldn't go so far as to say that he wanted to destroy our Mo family "Could it be that the rebellious daughter said these words again?" "She is simply spouting nonsense!"

Mo Xiaoting wanted to strangle this idiot to death. No Wonder Fang Cao said that she wanted him to see the Luo family's true colors with his own eyes. This idiot would only turn around if he saw it with his own eyes. He was simply too stupid!

Mo Peng and Mo Chang's minds were a little more flexible. They felt the meaning behind Mo Xiaoting's words as cold sweat broke out on their foreheads. They knew that Mo Xiaoting wasn't trying to scare them.

Even if the Luo family did not wipe out the entire Mo family, the Mo family's business would still be swallowed by the Luo family. At that time, the Mo family would be completely destroyed!

"Second brother! It's all your fault! You Idiot!"

“Second brother, it doesn’t matter if you want to die. Don’t bring US along! No matter what you do now, it’s a dead end.”

Mo Peng and Mo Chang gritted their teeth. Their good days had been ruined by this idiot. If it wasn’t for Mo Xiaoting, the two of them would have beaten Mo Cheng half to death.

Mo Cheng was so angry that his face turned red, “Have you all been brainwashed by that rebellious daughter? ! How could my father-in-law do something like that? He has to worry about Qiaoyun and the two children!”

“HMPH! When the time comes, second sister-in-law can bring the two children back to the Luo family. You can also help your good father-in-law. Second Brother, did you plan all of this in advance?” Mo Chang said mockingly.

“You, you’re talking nonsense! I don’t believe that the Luo family planned all this. I’m taking Qiaoyun to the Luo family right now to find out what’s going on!” Mo Cheng said as he prepared to leave.

Mo Xiaoting slapped Mo Cheng across the face, “You Idiot! What are you going to ask? Are you going to ask Luo Pingsheng if he’s going to destroy the Mo Family? Which Idiot do you think will tell the truth? !”

Mo Cheng clutched his cheek and yelled, "Dad! What right do you have to hit me? If you don't want me to ask, do you think you can tell the Luo family is trying to harm the Mo family with just your word? I don't believe it!"

Mo Xiaoting's head was buzzing with anger, "Get out! Get Out!"

Hearing Mo Xiaoting's words, Mo Cheng immediately stormed out of the room.

Mo Xiaoting sat down on his chair dejectedly. He was so angry that he was gasping for air. It was obvious that he was angry.

Mo Peng and Mo Chang looked at each other and Mo Peng said, "Father, please calm down. Second Brother will slowly figure it out."

After a while, Mo Xiaoting finally said, "Tell me, how should we break this deadlock?"

"Father, why don't we marry the herb first? No matter what, it will buy us some time. After that, we can sell our shop and property and find a new place to stay," Mo Peng thought, after all, he had plenty of spirit stones in his hands. Even if he could no longer do business, it would still be enough for several generations to squander.

“Third brother, what do you think?” Mo Xiaoting asked as he looked at Mo Chang.

“Father, I agree with Big Brother. We can’t beat the Zhao and Luo families anyway, so why should we fight them head-on? If we stay alive, we might have a chance to make a comeback in the future,” Mo Chang thought, it seemed that he had to think of a way to get more after returning home. Otherwise, it might not be possible.
