

## The Yun Family's Ninth Child is an Imp!

Chapter 20: Who Do You Think You Are?

"Nonsense! Of course, he's talking to you! Big Sister Yan Ran wants to sit here, so you better hurry up and make way!" Bai Morou glared at Yun Chujiu in disdain. Not only was the b\*tch ugly, but she was also a piece of trash. How dare she even think about being with her elder brother! Truly, her head had to be full of clouds for her to think about reaching something above her station!

"I'll naturally take my leave when I'm done eating, but right now, I'm still enjoying my food!" While Yun Chujiu spoke, she grabbed a slice of fish with her chopsticks and ate it. As the fish triggered her taste buds, its flavor caused her face to morph into an obviously exaggerated expression of delight.

Bai Morou immediately flew into a rage. Just as she was about to drag Yun Chujiu out of her chair, Bai Moyu gestured at her to calm down with his eyes. Bai Morou snorted coldly and kept quiet. After all, she was quite terrified of this elder brother of hers.

Bai Moyu furrowed his eyebrows and went up to Yun Chujiu. "Young Jiu, stop making a fuss! Leave now, or else..."

"Or else? What are you going to do? And stop calling me by my pet name! It's reserved for my family members. Who do you think you are? From now on, please call me Yun Chujiu or Miss Yun. You can also call me Immortal Yun!"

The corners of everyone's mouths twitched violently, threatening to morph into grins when they heard what Yun Chujiu said.

'Immortal Yun?'

'Why are you so shameless?'

'You look like nothing but a black ball of charcoal. Maybe, others should call you little goblin instead!'

'Why is Yun Chujiu being so abnormal today, though? She has always complied with every single one of Young Master Moyu's demands, hasn't she?'

Bai Moyu obviously never expected things to go that way either. The idiot was likely still angry about what had happened the day before. Hence, he used a gentle tone and said with a hint of affection in his eyes, "Young Jiu, don't throw a tantrum. I'll go and see you another day."

1

Yun Chujiu froze, and Bai Moyu could not help but laugh internally when he noticed it. That trick of his had always worked on the little idiot. He was certain that she would definitely leave the restaurant obediently now.

Just as Bai Moyu secretly felt pleased with himself, Yun Chujiu lowered her head and pretended to puke. "Goodness gracious, stop being so disgusting! Can you please direct your horniness to other people in the future and leave me alone?! What a scumbag!"

3

Bai Moyu froze!

Bai Morou also froze!

In fact, everyone in the restaurant froze!

Could it be that Yun Chujiu had gone crazy?

She had always liked Young Master Moyu, had she not? Why was she repeatedly spouting such harsh words to Young Master Moyu today?

Bai Morou was the first person to fly into a rage!

"Yun Chujiu, you're a piece of ugly trash! Who's the one who used to follow my elder brother around like a dumb, mangy dog?! My elder brother is a soft-hearted person, and he has always taken care of you because you're such a pitiful girl. How could you turn against him and say all these harsh words? What an ungrateful b\*tch!"

This time, Bai Moyu did not stop Bai Morou from speaking. How dare Yun Chujiu speak in such a manner to him?! It was indeed time to teach her a lesson or two.

Yun Chujiu looked at Bai Morou like she was looking at an idiot. All of a sudden, she climbed onto her chair and stood on it.

Bai Morou was shocked, and she could not help but take a step back.

Everyone did not know what was going on, and they looked at Yun Chujiu curiously. Had Yun Chujiu really become a madwoman?!

Yun Chujiu sneered, and there was a solemn expression on her small face. "Everyone, today, I, Yun Chujiu would like to make a formal announcement."

For some reason, Bai Moyu had an ominous feeling about it.

"Bai Moyu is a cunning and lowly man. In order to achieve his unspeakable aims, he schemed against me and manipulated me. I was deceived because I was young and immature, and I did a lot of wrong things to the Yun family."

Right after Yun Chujiu said that, her eyes turned red, and tears flowed down her cheeks like a broken dam. She pretended to look like she was trying to hold back her sorrow. "Even though I'm young, I still understand that I should repent since I've done something wrong. The Yun family has raised me, but I repaid their kindness by turning against them. I feel very bad about that, and I regret it very much.

"I have decided that I will atone for my sins and become a changed person from now on. Starting from today, this scumbag, Bai Moyu is nothing but my nemesis. He will forever be my enemy!"

3

Once Yun Chujiu was done speaking, she hopped down from the chair and dashed out of Immortal Gathering Tower with her face covered.

There was a dumbfounded expression on everyone's faces...
